HONORS DEPARTED MEMBERS OF G. A. R.

Rev. George W. Thomas Pays Tribute at Memorial Services.

A fitting tribute to the men who saved the Union in 1861 was paid by Rev. George W. Thomas last night in the Central Presbyterian church at memorial services for members of the G. A. R. and affiliated organizations. The church was elaborately decorated with American flags and was crowded to overflowing. Joseph Andrews of Butte sang the "Marseillaise."

"It is, indeed, a privilege and an honor to our church to welcome, on this memorial Sunday, the Grand Army of the Republic, the wives, daughters and descendants in the allied organizations," said Rev. Thomas.

"I would that I had a more elegant building into which I could welcome you, where beautiful architecture and the inspiring music of a splendid pipe organ might delight you. But I have not, and these are not the essentials of welcome. The essentials of welcome are loving hearts and sincere appreciation. These we can give and rejoice to give you to the full."

"Perhaps one evidence of the truth of that statement to you may be found in the fact that it is my privilege to welcome you tonight to the birthplace of the Boy Scout movement in Butte, and I say to you that when the last soldier of the Grand Army of the Republic hears 'taps' and lies down beside the last campfire, never to rise again until the great resurrection, we of the Boy Scouts of America will take from his nerveless, faithful hand the old flag and carry it in peace and war, in life and death, to live and die for truth and God and liberty as you have."

Banquet Closes Encampment.

A monster banquet Saturday night in the Auditorium, at which the veterans sang the old-time campfire songs and listened to patriotic addresses, marked the end of the G. A. R. encampment.

J. Bruce Kremer delivered an oration in which he declared that when the present war ends it will be President Wilson who will dictate the terms of peace. Attorney Kremer declared that the world is looking to Woodrow Wilson, who stands today as the spokesman of democracy's cause and the torch bearer of liberty which will enlighten the world.

Attorney Tom Walker paid a tribute to the pioneers of the state and declared that no history of Montana will be complete until the deeds of the state's grand old men are recorded. He offered a toast to such old timers as Shesby, O'Brien, Warren, Kellogg, Jackson and Blodgett, and concluded with a great tribute to Colonel Roosevelt, whom he characterized as the greatest American.

Mayor Maloney, in responding to a toast on "The Flag," declared that the Stars and Stripes will write the history of Christianity and civilization, and ventured the prediction that the Germans will tell the Kaiser his reign is over and England will force King George to resign.

Simon Haug, department commander, told of his pride at being named head of the department. Peter Breen toasted the Sons of Veterans and Mrs. Estella Worth spoke for the women of the encampment. Malcolm Gillis acted as toastmaster.

At the Central Presbyterian church yesterday morning Retiring Department Commander Reiche commended the Boy Scouts, the Wolf Cubs, Campfire Girls and Bluebirds upon their loyalty, obedience and patriotism, and narrated thrilling stories of the civil war.

Veterans' Sons to Meet.

Forty applicants will be enrolled in the drill squad at a meeting of the Sons of Veterans tomorrow night. In order to bring the number of drill recruits to a higher figure, the sons have waived the regulation under which only sons of army and navy veterans were eligible.

AMERICAN NEGROES WANT TO GET BACK

Washington, May 28.—With dreams of wealth unfulfilled, homeless American negroes have petitioned the acting governor of the gold coast colony in Africa to send them back to Texas, which they left in 1914, led by "Chief Sam," who pictured lives of ease.

Ambassador Spring-Rice has notified the state department that the indications are that Chief Sam grossly misled the immigrants and finally deserted them, leaving many in destitution. Whether any governmental assistance will be given to the negroes so they may return to the cottonfields of Texas and other southern states is unknown.

ONLY AGRICULTURAL EMPLOYMENT FOR THEM

Washington, May 28.—Mexican laborers admitted to the United States under relaxed immigration regulations to remedy the labor shortage in border states will be arrested and deported if they engage in any other kind of work, Secretary Wilson announced today. New rules suspending operation of the literacy test or the labor clause, for the war emergency, apply only to aliens seeking agricultural employment.

Spring Colds Are Dangerous.

Sudden changes of temperature and underwear bring spring colds with stuffed up head, sore throat and general cold symptoms. A dose of Dr. King's New Discovery is sure relief, this happy combination of antiseptic balsams clears the head, soothes the irritated membranes and what might have been a lingering cold is broken up. Don't stop treatment when relief is first felt as a half cured cold is dangerous. Take Dr. King's New Discovery till your cold is gone.—Adv.

QUICK RECOVERY OF G. A. R. VETERAN

(Continued from Page One.)

timer suddenly collapsed. Several physicians who were called diagnosed the case as one of paralysis. On account of the advanced age of Colonel Hunt—he is 73 years old—he was removed to Murray's hospital. Soon after reaching there he lapsed into unconsciousness.

At 1:30 o'clock this morning a decided change for the worse took place. Gen. Charles S. Warren, a long-time friend, was called to the hospital. A slight rally took place. At 5 o'clock this morning when it was feared that Colonel Hunt would pass away, General Warren was again called to the hospital. Colonel Hunt barely recognized his old friend and then again became unconscious.

When General Warren again called at the hospital at 9 o'clock this morning he found Colonel Hunt propped up in bed.

"You can't kill the old timer," shouted Colonel Hunt with extended hand as General Warren walked into the room.

Unless unforeseen complications set in the physicians believe that Colonel Hunt will speedily recover.

An idea of the close proximity of death can be gathered from the fact that General Warren sent a telegram to Mrs. Hunt, the veteran's wife, in Oakland, Cal., notifying her that her husband was dying. A later telegram was sent advising Mrs. Hunt of the speedy change in her husband's condition.

Colonel Hunt was born in London, but has been in this country since 1863. During the civil war he saw service with the Fourteenth New York cavalry, spending the greater part of the time in Louisiana. It was in 1875 that Colonel Hunt was in the command of General Miles. He saw service under General Miles in Montana from 1875 until 1878. At that time he was stationed at Fort Keogh when Custer county was as large as Illinois state.

DOG PAYS HIS OWN TAXES.

Princeton, Ind.—Princeton has a dog that pays its own taxes. Harry Cramer, railroad conductor, saw W. C. Shannon, deputy assessor, passing near his home. Handing a \$1 bill to his fox terrier, Claude, Mr. Cramer said, "Run after the man, Claude, and pay your taxes and bring back the receipt."

The dog raced after the assessor, stopped him and held out the bill. Recognizing the dog the deputy assessor filled out a receipt, while Claude expectantly waited the dollar had been pocketed. The dog was placed in its mouth and ran back home and into the house where it took the receipt to Cramer.

SOLEMN MASSES AT CEMETERIES

Catholics Will Unite in the Annual Memorial Day Service.

Following the custom which was started four years ago, the Catholic churches of the city will unite in joint services at both Catholic cemeteries on the morning of Memorial day in solemn requiem high masses for the repose of the souls of the members of all the congregations who have passed away. Their prayers will unite with the Catholic congregation of the entire diocese of Helena, and through it with the congregations of Catholics in all parts of the United States. All the solemn ceremonial of the church will be used in the Catholic services.

At both the old and new cemeteries the masses will be celebrated at 10:30 o'clock. Already work has been started on constructing the temporary altars. The altars will be so shaded that the candles will burn during the mass and the small organs will be moved to the grounds at an early hour Wednesday morning. Committees have been working for weeks on the arrangements for the services, which have grown better attended each year. After the masses the congregations disperse and visit the graves of their particular friends and relatives.

Rev. Father Hannan will be the celebrant of the mass at the old cemetery. He will be assisted by Father McCormick of St. Joseph's and Father Murnann of St. Patrick's, with Father P. J. Crawley of the new St. John the Evangelist's parish preaching the sermon. St. Joseph's choir, under the direction of Mrs. Frank Riley, will sing the mass. The committee in charge of the arrangements at this cemetery consists of Father Murnann, Father Brosnan and Father O'Shea. Monsignor Peter De Siere will attend in his official robes.

Rev. Father Leschner, pastor of St. Ann's new parish on the south side, will have charge of the mass at the new cemetery at the same hour, 10:30 o'clock. Father Leschner, Father Foley and Father Lambertus form the committee in charge of the arrangements.

SENATE TO PROBE THE MONGOLIA ACCIDENT

Washington, May 28.—Investigation by the senate naval affairs committee of the accident on the armed merchant ship Mongolia, in which two American Red Cross nurses were recently killed, was ordered today by the senate.

What Is Rheumatism? Why Suffer From It?

Sufferers Should Realize That It Is a Blood Infection and Can Be Permanently Relieved.

Rheumatism means that the blood has become saturated with uric acid poison. It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than that, down deep into the blood where the poison lurks and which is not effected by salves and ointments. It is important that you rid yourself of this terrible disease before it goes too far. S. S. S. is the blood purifier that has stood the test of time, having been in constant use for more than 60 years. It will do for you what it has done for thousands of others, drive the rheumatic poisons out of your blood, making it pure and strong and enabling it to make you well. S. S. S. is guaranteed purely vegetable, it will do the work and not harm the most delicate stomach.
