German Military Critic Says
U. S. Troops Will Not
Aid Entente.

Copenhagen, July 6.—Captain Von Salzmann, military critic of the Vossische Zeitung of Berlin, devotes a two-column article to the military influence of America on the war, which he said is already evident and that the effects must not be underestimated. Captain Von Salzmann assures his readers that with regard to quality the American soldiers will not attain the standards of brilliance characterizing the French and German armies or their talent in leadership, finesse in execution and gunnery, but that America's military contribution, like Great Britain's, will find expression in numbers and mechanical application of brute power. America's numbers, he writes, are counted upon by the entente in respect of men, artillery and particularly aviators. Incorporated in divisional units with British and French troops, as Captain Von Salzmann expects the American forces to be, he says they will be worthy opponents. Nevertheless, the Americans will not affect the result on the western front, he writes in conclusion, because Field Marshal Von Hindenburg says the submarine will force a decision.

**COUNCIL'S TRIBUTE
TO FORMER MAYOR**

City Fathers Adopt Resolu-
tions of Condolence and
Sympathy.

Resolutions of condolence and sympathy on the death of the late Joseph Corby, a former mayor of Butte, were adopted by members of the city council last night at the regular monthly meeting. The council transacted a considerable amount of routine business, including allowance of the street and alley, garbage and sprinkling payrolls. These amount to: Street and alley, \$5,011.37; garbage and ash, \$8,597.15; sprinkling, \$4,659.62. Appointment of Fred E. Buck as assistant city engineer was confirmed and Martin Garrity and Pat Kelly were appointed members of the fire department to succeed Leslie Sanger and William Barry, who have enlisted for war service.

A communication was received from the county commissioners agreeing to pay half of the expense and maintenance of a night soil disposal plant to be built under city direction in vicinity of the old Butte Reduction works.

Reports of the city employment agent and fire chief were received and referred to appropriate committees.

Bids were called for July 18 for the paving of Park street between Montana and Arizona streets, such paving to be substituted for the granite blocks now in use.

Monthly and final estimates were received for work done in several improvement districts.

Council will meet again Wednesday night. Resolutions adopted anent the death of Mr. Corby follow:

"Whereas, The Supreme Ruler of the Universe has decreed that this community should mourn the loss of an esteemed fellow-citizen and highly respected member of society in the person of the late Joseph Corby; and

"Whereas, We, the mayor and councilmen, as representatives of this community and city of Butte, desire to record the city's testimonial of his valued citizenship; and

"Whereas, Mindful of his earnest efforts in behalf of the progress, growth and prosperity of the city during his incumbency as mayor and chief executive; his zeal and tireless energy for civic betterment; his ready sympathy for fellow-workmen; the purity of his domestic life and unqualified respect for home and family; his faithfulness to principles and devotion to truth; his willing sacrifice, too, as a patriot and soldier in defense of his country's honor; his fearlessness in exposing the wickedness of his friends and unwavering convictions of right and wrong; whose daily life was an epitome of good deeds, lofty ideals and sincere purposes; therefore, be it

"Resolved and Recorded, That in the untimely death of the late Joseph Corby the city of Butte has lost a worthy citizen; a man whose record as a citizen spells integrity; whose every-day life reflected honesty, modesty, gentleness and truth; who worshipped God, country, home and family; who submerged his individuality in his solicitude for the welfare of less fortunate members of society; who never faltered in his duty toward his city, county and state; whose social and personal intercourse revealed the kindest and most sympathetic nature; who always measured up to his duties and responsibilities; who was a competent executive officer, a faithful comrade and a true soldier whose example we all can emulate with profit; all of which means that which far transcends all other attributes—a good citizen.

"And to this man we pay our tribute of respect, esteem and admiration.

"Resolved, Further, That we convey herein since expressions of our profound sympathy to the members and relatives of the bereaved family, and that a copy of this memorial be engraved and forwarded to them as an assurance of our sincere sympathy; likewise a copy thereof furnished to the daily papers for publication and these resolutions incorporated in the minutes of the council on this date.

Willie Reichle, 14 Years Old, of 1157 West Silver, Runs Away.

Willie Reichle, the 14-year-old son of Mr. and Mrs. Adolph Reichle of 1157 West Silver street, disappeared from the family home Tuesday evening at 7 o'clock and has not been seen since. His parents are worrying very much over his safety, as there are no relatives in the country to whom he might have gone, and if he is not hiding with somebody in Butte, they fear the worst.

The boy recently suffered an accident when a powder cap which he was hammering exploded. He lost the thumb and first two fingers of the left hand. He is too small to work on a
