

MARY

PICKFORD

"AMERICA'S SWEETHEART"

IN THE
"PRIDE OF THE CLAN"

The Bonniest Lassie of them all in her latest release--The sweetest love story in which the beloved star has ever appeared--It's the breath of the heather--the salt of the sea--as Scotch thistles.

OLIVER G. WALLACE

Will take you to the Hielands o' Scotland through the medium of the

MAMMOTH ORCHESTRAL ORGAN

(NOTE--In order to thoroughly appreciate the genius and versatility of Wallace and the possibilities of the giant Orchestral Organ one should see each new show. Wallace will be as new as the show itself.)
