A HOBBY is a good thing for anybody. Some one has well said that making a hobby of your teeth is especially good, for then you may always carry the collection about. Every time you smile or speak, others may see evidence of your hobby. It is pleasing to hear people say "What a beautiful set of teeth you have," or "How ever do you make your teeth look so nice?" You can reply to them, "My teeth are my hobby."

BEAT UP MAN AND SHOOT UP PLACE

Three Well-Known Police Characters Run Amuck in Centerville.

Three well-known characters in the person of Paddy Rodgers, "Muckie" McDonald and "Stuttering" Alex McLain, the body guard of three years ago of "Muckie" McDonald, created considerable excitement in Centerville yesterday by beating up a man and afterwards shooting up the place. According to the information at the sheriff's office, during yesterday morning Paddy Rodgers was about Centerville and he made the statement that all the people in the place were scared. This was resented by an old man, and it is alleged that Rodgers was about to beat the old man when John McIntyre, one of the proprietors of the Eagle saloon, came along. He defended the old man and Rodgers tackled McIntyre, with the result that the ex-convict received a severe beating. After acknowledging that he had received enough, Rodgers proceeded downtown, with the remark that he would be back later. He kept his word.

BROKEN DOWN IN HEALTH

Woman Tells How \$5 Worth of Pinkham's Compound Made Her Well.

Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sensitive Wash. I began taking your compound and took \$5 worth and in two months was a well woman again."

After three doctors said I never would stand by straight again, I was a mild-tempered woman and I recommended the Vegetable Compound to every woman I knew before her and afterwards, and they all got along so nicely that it surely is a grand relief to suffering women. If you wish to write to me I will be delighted to answer them.
