

Saturday--A Big Clearance of "What's Left" Our Stock of Summer Ready-to-Wear

New Victor Records
September on Sale Tomorrow—Victrola Rooms on the Third Floor.

The time has come when the Fashion Salon-MUST have more room. The cases are full to overflowing now and new merchandise for Fall keeps coming in by every express delivery. Every one knows the Hennessy policy--of starting each season with new goods--of having no "carry overs" from last season. The remaining Summer merchandise consists of suits and coats, wash skirts, waists, middie suits, etc.; and for the convenience of tomorrow's shoppers we have separated them into lots at these prices. The figures are so remarkably small compared to what the garments were originally marked that it will be strange if they are not gone by noon. Come early--your size is no doubt here and you will be more than pleased at the value of the goods.
