

MORT DONOGHUE TO GO TO FRANCE

Former Post Reporter Sails Soon With War Insurance Forces.

The Post's Washington Bureau.

Washington, D. C., Nov. 28.—Mr. and Mrs. M. M. Donoghue of Butte are here to visit their son, Mort Donoghue, Jr., who is about to sail for France as a member of the war risk insurance bureau forces.

Mort Donoghue is a graduate of the University of Montana. He was employed as a newspaper on the Sentinel of Missoula and later on the staff of the Post. Recently he left for Washington, D. C., to accept an appointment there. He had previously volunteered for the army, but was rejected on account of his eyesight. He returned to the government for some position in which he would be of assistance in the prosecution of the war and apparently has been successful. "Mort" is one of the well-known boys of the city.

During his student days at the Butte high school he was always a leading figure. He was chess champion a few years, and with some other boys instituted what is still known in the local school as "Loud Sox Day."

The very best wishes of a great host of friends will follow Mr. Donoghue across the water to "La Belle France" and many will pray for his safe return to his home town.

RUSSIANS TREAT WITH THE ENEMY

Reach Agreement With Germans for Negotiations for Armistice.

(Continued From Page One.)

mitted German desire for achievement of peace by agreement, as indicated in the 1916 peace offer and in the German reply to Pope Benedict's peace note as well as in the repeated declaration of last July.

The entire governments and the United States on the other hand have shown no disposition to negotiate while the "free peoples of the world" continued to be menaced by a "military establishment" controlled by an irresponsible government, in the words of President Wilson's message to the German war machine in his reply to the pope. The Bolsheviks' attitude was completely changed to the embassy in Petrograd, but as far as has appeared they have not been repudiated by the respective governments.

MAY HOLD THE BOLSHIEVICKI FACTION TO BE FOES OF ALLIES

Washington, Nov. 28.—The American government and the entire alliance will determine whether the Bolsheviks are to be classed as enemies and official allies can be gathered of conversations between Bolshevik leaders and German officers.

Yesterday's dispatches saying German staff officers were in Petrograd, actively engaged as advisers to Lenin, followed by today's news that Bolshevik leaders had agreed with the German line for conferences with the German authorities, were not wholly unexpected, but they shattered the faint hope that the Bolsheviks might in the end help carry on the war against Prussian militarism.

The developments more than confirmed the contention of those who have held from the first that the Bolsheviks were fostered by German propaganda seeking to break Russia from her allies.

To Withdraw Embassies.

One of the first acts of the allied governments has been to officially declare that the Bolsheviks are actively working with the Germans and undoubtedly will be to withdraw their embassies in Petrograd. This, of course, will include American Ambassador Francis. Whether the diplomatic corps would go to the aid of the adjacent neutral countries to await developments or whether it would move to some other part of Russia, where a new government considered representative of the Russian nation, rather than of an anarchical faction, might be set up, has not yet been determined. This will be decided by the developments in Russia. Ambassador Francis has a large measure of discretion to act with others of the diplomatic corps in Petrograd as much of his course will have to be determined without frequent consultation with Washington.

No official announcement is available as to whether the United States has stopped the shipment of supplies to Russia until the situation clears, but it is perfectly apparent that none of the immense quantities of supplies contracted for, on the way, or actually landed in some parts of Russia, will be permitted to fall into the hands of the Bolsheviks if they become the allies of Germany.

The statement made yesterday to the Russian general staff by Lieutenant Colonel Hudson, head of the American military mission, to the effect that the stopping of shipments to Russia will be the logical outcome of the Bolshevik efforts for an armistice and peace, is regarded by officials here as summing up the situation accurately and goes as far as is possible in an official expression at this time.

German Propaganda.

German propaganda in Russia is increasing in intensity, according to information received at the embassy here from the Russian ambassadors at Paris and Rome.

Every effort, they reported, is being

AIR RAIDS? SEND 'EM ALONG, WILHELM

Maybe you've had your own private doubts about these Ludenows who climbed to front row seats on the tops of skyscrapers every time they heard the anti-aircraft guns booming. So have we.

Well, here are three London girls who are guaranteed to be not a bit scared of any raiders the Kaiser can send.

Provided, of course, they can reach the shelter in time. They drill every day. A series of short blasts—Duck—crawl to the pit. A long blast—crawl back to the ground.

Made to misrepresent the attitude of the entire power and that of the United States and misleading announcements of peace are being spread in Russia and in other countries.

In some circles it is believed that the representatives of the allied powers now in Paris already may have served notice on the Trotsky-Lenin faction that any agreement with Germany would be looked upon as severing relations. It was not apparent here if any such message had been sent.

ALL ANTI-BOLSHIEVICKI ELEMENTS JOIN KALEDINES

London, Nov. 28.—The militant, anti-Bolsheviks in the Moscow district, according to the E. cord correspondent of the Morning Post, have come out to join General Kaledin, leader of the Cossacks, reported in control of southwestern Russia.

Many hundreds of officers from regiments stationed in the rear and disbanded from the front have gone out to General Kaledin.

POLITICIANS CONFER TO FORM GOVERNMENT

Washington, Nov. 28.—The conference at Petrograd today of Russian political leaders, which, according to the London Times, is for the purpose of forming a government representative of all parties, is being watched with much interest.

What really lies back of the conference it was too early for officials to judge. It was significant that former members of the Kerensky cabinet were among those who assembled along with the Bolshevik leaders, although the calling in of some members of an overthrown regime, it is recognized, may be a strategic move for effect on the diplomatic corps at Petrograd, who have uniformly refused to indicate any recognition of the newly-sprung element in power, while Russian diplomats and consuls in this country openly repudiate it.

DENY LUDENDORFF HAS GONE TO MEET RUSSIANS

Amsterdam, Nov. 28.—An official statement from Berlin denies a rumor that General von Ludendorff, first quartermaster general of the German army, had gone to the Russian front. It says that General von Ludendorff is at the western front.

A London dispatch on Nov. 23 said General von Ludendorff started for the eastern front in connection with the Russian offer of a truce.

RUSSIAN ARMY WILL SEND REPRESENTATIVES

Petrograd, Tuesday, Nov. 27.—The Russian Fifth army announced today that it purposes choosing parliamentarians to be sent to Germany. This is the second instance of an announcement of definite support of the Bolshevik program by the military, the first being the Second Army whose action was previously reported.

VOTE IS LIGHT IN PETROGRAD

Petrograd, Monday, Nov. 26.—It is estimated that from 20 to 25 per cent of the voters, entitled to vote for delegates to the constituent assembly call their ballots yesterday. Many women were voted. The balloting was orderly. The Bolsheviks campaigned in placarded armored motors.

SPANISH DIPLOMAT TO AID IN PEACE EFFORTS

London, Nov. 28.—In acknowledging the note of the Bolsheviks in regard to peace negotiations, the Spanish representative at Petrograd said he would do all in his power to contribute to peace, "for which the whole of humanity thirsts." A Reuter dispatch from Petrograd reports.

JURY IN MURDER CASE STILL OUT

Report is That Some of Jurymen Favor Acquitting J. F. Sullivan.

The jury in the case of John F. Sullivan, charged with the murder of William Desell, retired to deliberate at 2:15 o'clock last evening but up to 3 o'clock this afternoon they had not returned to court with a verdict.

There is information about the courthouse that some of the jury men are strongly in favor of acquittal and that others are just as strongly in favor of a verdict of manslaughter, and that the outlook is that a disagreement will be reported this evening.

Sullivan on Stand.

John F. Sullivan, the defendant, took the stand yesterday afternoon in his own behalf and told about the amount of liquor consumed by him and Desell on the day of Aug. 31. He said that on the evening of that day Desell was quarrelsome, but acknowledged that he had never seen him quarrelsome before. He told of being knocked down by a blow from Desell in front of the Bismarck a few minutes after midnight of the morning of Sept. 1. He said that after that he did not remember anything. He declared that he did not remember going to his room, opening his suitcase, taking out his revolver, loading it and going out into the street and meeting Desell in the vicinity of where the trouble had occurred or shooting him. The defendant had no recollection of being urged by his roommate not to go out with the gun, nor did he remember saying to Desell that he got the gun to kill him and telling him that he would give him three minutes before carrying out the threat. He denied all knowledge of the shooting.

L. P. Sanders, James J. O'Connell, Andrew Johnson and Edward McCreary all told of serving in the First Montana regiment in the Philippines with Sullivan and declared that his general reputation was good.

ALBERT BAUER FUNERAL VERY LARGELY ATTENDED

Tribute Paid to the Memory of Englewood Football Player.

The funeral of Albert Bauer was held this afternoon from his home, 1591 Harrison avenue. There was a large attendance of sorrowing friends, for Mr. Bauer was one of the well-known young men of the city. A special delegation from the Englewood club was present. Mr. Bauer was a member of the Englewood team, and in respect to his memory the scheduled game for tomorrow with the High addition has been cancelled.

The pallbearers were Fred Corin, Ambrose Taylor, Harry Steinspyher, Sam Kinville, Henry Bear and Harold Laurandean. Mr. Bauer was only 22 years of age. During the past summer he had been employed at the Clark Park playground. He was very fond of athletics and was one of the best athletes of the city and a real good "top" at all times.

His death was the result of an attack of pneumonia, contracted during a trout hunting trip when he slept in the woods. He is survived by five brothers and five sisters.

THANKSGIVING THAT THE CHURCH IS FREE OF DEBT

Special Occasion at the Swedish Baptist Tomorrow Evening.

A special Thanksgiving festival will be held in the Swedish Baptist church at 7:30 p. m. Thursday. This will be an occasion of unusual importance in the history of this particular church. For the first time since the present church building was erected, the members worship in a house free of debt, the last payment having recently been made.

The property was burdened with a considerable debt when the pastor now in charge took up the work here, but by constantly keeping at it the desired end has been reached, hence the spirit of joy and thankfulness.

The church is well located and serves its purpose well with an auditorium seating over 200 people, a study, rest room and kitchen back of the main floor giving a steady monthly income to help support the work.

The ladies of the church will be sponsors for a social hour, with refreshments and a good time. The members of the Anacostia church will come over in a body to help make this an evening of enjoyment and good fellowship. The public is cordially invited to attend, free of charge. Among other things on the program will be music, an address by N. Wilson, treasurer; recitation by A. Olson, secretary; address by the pastor, A. J. Stormans, and special songs, both Irish, Dutch and a quartet. Soldiers in town who understand our language are cordially welcome.

NEW SHOW TOMORROW

FOR THREE DAYS ONLY

PAULINE FREDERICK

Around a woman, a creature of passion, tempest tossed by her emotions, David Graham Phillips wrote what is conceded his best novel, "The Hungry Heart," the screen adaptation of which we present tomorrow! Pauline Frederick is wonderful in her characterization.

"HUNGRY HEARTS"

CHARLIE CHAPLIN

IN "THE CHAMPION"

This film is a re-issue and has had previous showing in Butte, but it bears my personal recommendation and is worth seeing twice.
