Roosevelt Sails for Africa.

New York, March 23.—Theodore Roosevelt sailed today at 11:06 on the steamer Hamburg on the first stage of journey to the wilds of East Africa in search of big game. From his country home at Oyster Bay to the steamship dock in Hoboken the ex president's route resembled a triumphal march the greetings of the crowds which had gathered to wish him good luck being expressed all along the way in enthusiastic cheers. A feature of the trip was that Mr. Roosevelt rode for the first time in the tunnel under the Hudson from New York to Jersey City.

At the meeting held in Dane Valley school house March 10th, Soren Larsen was nominated as a candidate for the School Board of District 17. It is now up to Culbertson whether the new settlers be represented on the School Board or not.

A meeting will be held in the Dane Valley school house Friday, April 2d, at 7 p. m. The committee that was appointed at the last meeting will be ready to report. All who are interested in the school question and all townships that were represented at the last meeting are kindly requested to be represented again.

Soren Larsen, the candidate for the School Board from this part of District 17, is a man that is well fitted for that position having had some experience in school work before coming here and he is now superintendent of the Danish Lutheran Sunday School here. Mr. Larsen is married, having a family of three boys. He came here a little over a year ago from Hampton, Neb., settling on a claim in T. 28, R. 56 and has a nice home. Since coming here he has at all times been interested in the school. The voters of Dist. 17 will do well in electing Mr. Larsen as member of the School Board.

Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only saved the lives of our dear little boy." For sale by Valley Drug Co.
