THE FIRST REPUBLICAN PAPER STARTED IN VALLEY CO., MONT

Poplar School Notes

During the past week two new pupils have joined our room. As they are earnest, studious, boys they are very welcome.

Last Wednesday on account of Miss McLeod's absence, Mrs. Lectra tried the plan of having pupil teachers, and Alta Lindsey and Ruth Ventling proved very able assistants.

Saturday evening the pupils of the primary room and a few of their little friends were most royally entertained by Mrs. R. E. Patch assisted by Miss Blevins. After games and a blood curdling visit to the ghostly witch, there was a supper where, as one child said, "We had pretty plates just like big folks have." The individual pumpkin pie was the piece de resistance with the boys. The frequent trips to the water pail in the kitchen between plays made one think of a description in "Cape Cod Folks." About nine o'clock Mrs. Patch aided by Mr. and Mrs. Brady fitted out and lighted the lanterns and the joyous and happy ones set out for home. Mrs. Patch certainly gave the little ones good reason to remember Halloween of 1909.

The older pupils held high carnival at the home of Rey, E. J. Lindsey.

Pupils neither absent nor tardy: James and William Walker, John and Alta Lindsey, Ruth Ventling and Numie Humphrey.

Miss MacLeod's room: Dorothy Cosier, Daniel, Joe, Bennie and Vina Burshia, Ruth and Gladys Pearson, Nellie and John Helmer, Arvilla Hill, Vivian Atkinson, Regina Pereaau, George Cusker, Marie and Florence Rounds, Beryl Humphrey, Mervin Lindsey, Maggie and Robert Watson and Lawrence Hansen.

New pupils: Elmer Crants and Melvin Hansen.

If in need of Furniture, do not fail to inspect our new goods just received.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it never disappointed them. Sold by

Methodist Services.

Owing to the delay in plastering there will be no preaching services in the Methodist Church next Sunday evening November 7th, and no Sunday school nor League Services. Jasper Weber, Pastor.

When a cold becomes settled in the system, it will take several days' treatment to cure it, and the best remedy to use is Chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition. Sold by all dealers.
