Dr. and Mrs. Fredrick E. Tuttle of St. Louis, Mo., arrived last week for a few weeks' visit with Wm. Freese and family. They made the trip in an automobile, covering something over 1700 miles on the journey.

Who said the Ekalaka ball team was "died"? Well I guess not yet, from the looks of the score card at the ball game Friday between Beaver Creek and the "Puftown Pirates". Why we just ate 'em alive and then some. It was time something happened to the boys as this was their first victory of the season but we guess that the turn of the tide has come.

The reason for the sorrowful look on the Big Kid every time an automobile goes down the street was discovered Wednesday. He wants to run one and we believe that if the chance came around he would "swap" off the mules for one of those "no pushee, no pullee, all samee go like h-1" machines. He tried his luck at the wheel of Frank Buck's car Wednesday and as a result the machine landed in the mud hole in the lane. The passengers who were on the pleasure trip were safely carried from the middle of the mud hole to dry land then obliged to walk to town.
