

Help us Organize

Since our mention of two weeks ago regarding the organization of an automobile club at Ekalaka we have received many encouragements from local car owners and boosters for better roads. A meeting will be held in Ekalaka Saturday afternoon, April 29th when steps will be taken to complete an organization of this character. All those interested in better road conditions and especially owners of automobiles are requested to attend and help in organizing. It is the purpose of the promoters to cover all of central Fallon County in this work and your presence is requested. Speakers will address the meeting and explain the purpose and benefits of such a club. Remember the date, Saturday April 29th and try to be present.
