G. C. PUTT

"THE HARNESS MAN"

Only Band in Teton County

Those outside the community who read this number must not draw the inference that all our thoughts and activities are centered on things material. Indeed there is much cultivation of the aesthetic taste in Cut Bank, also there is much musical talent in town at the present time.

One of the organizations here of which every citizen is proud is the Cut Bank band. This organization was brought into being principally thru the activities of G. C. Putt, the present music master, and the rapid manner in which it has developed in the intricate technique of band music and the sustained enthusiasm of each and every member, has been somewhat of a revelation to local residents.

The organization and maintenance of the band has proceeded along rather unusual lines. In the first place, about \$1500 was invested in first class instruments, quarters maintained and musical supplies purchased without the solicitation of a single cent from persons outside the organization. The organization is on a solid financial basis today and has about twenty two apt and enthusiastic members.

At its regular Thursday meeting, Thursday last, the following officers were chosen: D. B. Donahue, President; Ed Murphy, Vice President; Martin Halvorson, Sec.; C. E. Kine, Treas.; G. C. Putt, Director.

The members and the instruments which they play are given below:

G. C. Putt, Eb Clarinet; I. Blanchard, 1st Bb Clarinet; Ed. Murphy, 2nd Bb Clarinet; E. V. Lent, 2nd Bb Clarinet.

C. E. Kine, solo Cornet; Ray Horton, solo Cornet; W. T. Jackson, solo Cornet; H. Phillips, 1st Cornet; O. Ensrud, 1st Cornet, Adam Cyr, 1st Cornet; Carl Rovig, 1st Cornet.

John Colburn, solo Alto; Andy Bakke, 1st Alto; D. B. Donahue, 2nd Alto; L. R. Dohyns, 1st Tenor; C. Platts, 2nd Tenor.

Martin Halvorson, Baritone; Nick Arnett, Bb Bass; Ernest Knapp, Eb Bass; J. J. Breeding, Snare Drum; Emmett Wallace Snare Drum; Mont Madison Bass Drum.
