Got Something

You Want to Sell?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want.

These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year.

WHY NOT SELL THEM?

Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in THIS NEWSPAPER?
