Garden Tracts for Sale

I have 320 acres of fine, easily irrigated land in the Kootenai valley which I have subdivided into ten-acre tracts. These tracts are some of the finest garden and fruit land in Montana, and a fine opportunity for a man to go into the chicken and truck gardening business. Good hunting and fishing. An energetic man can also secure employment close to the land, from the Libby Lumber Company. I will sell in tracts of ten acres at \$18.00 per acre on payments of \$10.00 down and \$10.00 per month with interest at 10 per cent. Adjoining land is selling from \$35 to \$70 per acre. This land is situated on the National Parks Highway and has good roads all around it. Don't miss this opportunity to secure a good garden tract in the fertile Kootenai valley. Apply to H. S. Cameron, Pioneer Press, Cut Bank, Montana.
