John English, Manager

Mr. and Mrs. Hogl and two children journeyed to Lewistown Sunday for a visit with Mr. Hogl's brother. These gentle rains every two weeks are about the best at this section has had for some time. If the farmers are happy and contented, the rest soon will be.

Robert Lyons left for his happy home in Pasadena, California the fore part of the week. The evening before he left the boys got together and gave him a merry time in the way of a charivari just to remind him of the more strenuous days in old Harlow. Bob returned the compliment by a generous response.

The rains during the first of the week put a stop to the street grading for a time. The side walks have been laid out on the west side of Central Avenue and work has already begun on the sidewalks. The plan is to build up one side and down the other and have all the work done by the middle of June.

Base Ball Talk.

A little more ginger in the out-field.
The line-up appears to strengthen as time wears away.
Catcher Sprague has a "bum" eye which incapacitates him for a time.
Attorney Glen Bills and J. W. Sturgeon of Judith Gap accompanied the ball team to Lewistown Sunday.

Dr. Campbell, who managed the team last year, went to Lewistown with the bunch, but returned on the noon train as soon as he saw there was no possibility of a game Sunday.

If Sunday is a nice day the team will again go to Lewistown to try conclusions with the hired men.

Glen Bills was out to practice Wednesday and showed pretty good form. For a long time there appeared to be no available material to work behind the breast pad and mask, but now there is more than enough.

Manager Lewellin has arranged a game with Lewistown to be played here on the 3rd, the local team will play in Lewistown the 4th and 5th.

Captain Willard of the Lewistown team will not play at the terminal city all the season.

Roundup is now after the scalps of the Harlowtonites, it has been predicted at this end of the line that Roundup may anticipate some trouble.

Lord showed up in good shape in Wednesday's practice. He hasn't exploited his wing very much so far this season, but it begins to look as though he could slip them over.

At each practice during the week the team indulged in a little batting practice. The boys appear to wield the willow better than they did at the first tryouts.

Ed. Knoff has speed to burn and his curves are quick in breaking, but his weak point so far is control. The ability to put 'em over will come with the warm weather so he says.

With Attorney Husband on second and Attorney Bills behind the bat, it doesn't look as though many will attempt the grand larceny game without being caught in the act. Both have good wings and get them off quickly.

Shortstop Cooper has a mean habit of putting his left foot in the water bucket each time he smashes at the ball.

Lewistown will celebrate Memorial Day with appropriate exercises, a program has been arranged, and the veterans of the Civil war and Spanish-American War will participate. Attorney Frank E. Smith is at the head of the program committee.

Johnny Spring representing the Royal Tailors made the town during the week, and as a result many of the bloods will be wearing some nicer clothes.

Mrs. Johnny Rossman returned from Lewistown Tuesday with Leo Simonton who was accidentally shot at Cruse two weeks ago. At first it was thought there was grave danger of blood poisoning, but this danger has passed away. Leo is not able to walk yet, but he is able to sit up in bed and is not suffering as much pain as formerly. The bullet entered the thigh and lodged below the knee pan going the full length of the fleshy part of the leg, and when extracted it was flattened on one side making sharp edges which caused the laceration. The friends here of Leo and Mr. and Mrs. Rossman are glad to know that the boy will soon recover.
