

A Valuable Tip For Business Men

Buy the "Nuline" Shoe. It's good all the way through. Lasts longer, looks better, feels more comfortable—and costs no more.

The "Nuline" is made especially for the business man who wants a shoe that will combine style, comfort and wearing qualities.

The Bradley & Metcalf Co., manufacturers of the "Nuline" have been in the shoe manufacturing business for 66 years—and the "Nuline" Shoe is one of their characteristic honest values which has enabled them to succeed, regardless of competition.

The soles of the "Nuline" are close fibred Goodyear Welt sewed—just a small part of each hide is good enough for the soles of these shoes. The uppers are of selected stock.

The "Nuline" Shoe feels comfortable the minute you put it on, and stays that way. The smooth fitting, closely woven duck lining does not rip or tear after long wear, doesn't tear the stockings like other shoes—and that's only one of the many money-saving features of the "Nuline."

Made in four Leathers, Box Calf, Varsity Calf, Glazed Calf and Pig, and on four soles, up-to-date lasts.

With the "Nuline" you can fit the feet, please the purse and satisfy the taste of any man in this city.

AN IDEAL COUGH MEDICINE
"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Wiltshire, of Gwynville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Remedy. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ills it is intended."

STIFF NECK
Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment.

THE BEST PLASTER
A piece of flannel with tapes attached for holding it in position, slightly dampened with Chamberlain's Liniment and bound on over the seat of pain is superior to any plaster.
