The sole of honesty
Mr. Farmer, Mr. Workingman, here's a bargain for you. It's a shoe that will last longer, feel better and cost no more than the shoe which you are now wearing. We want the trade of every man, woman and child in this city and in order to get that trade we realize that we must give the best value. And in order to give the best value, we have made a special study of the stock and prices of practically every shoe manufacturer.
We have compared the stock, the workmanship and the prices, and then selected from only those manufacturers who make the highest grade goods, just that part of their shoes which represent the best bargains.
And we found the best bargains for workingmen in Bradley & Metcalf Company's RAWHIDE GREAT TAN WORK SHOE.
Made with close fibered full double soles and fastened doubly strong (first brass nailed and then sewed.) An honest sole that wears like iron.
The crimped uppers are extra quality Tan Kangaroo Kip—heavy, flexible and long wearing.
The insoles and counters are one piece, all leather. Supplied with a bellows tongue to keep out the dirt and has a strong tan leather pull strap and large brass eyelets. We know that each sale of this shoe means a steady customer.
We also carry other styles of Bradley & Metcalf Company's shoes for men, women and children—for dress, business, street and school wear. Drop in and investigate our many bargains.

AN IDEAL COUGH MEDICINE
"As an ideal cough medicine Chamberlain's Cough Remedy is a class by itself," says Dr. R. A. Wiltshire, of Gwynville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Remedy. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ill. It is intended."

STIFF NECK
Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment.

THE BEST PLASTER
A piece of flannel with tapes attached for holding it in position, slightly dampened with Chamberlain's Liniment and bound over the seat of pain is superior to any plaster.
