**AN IDEAL COUGH MEDICINE**  
"As an ideal cough medicine I regard Cham-  
berlain's Cough Remedy in a class by itself,"  
says Dr. R. A. Whittle, of Garyville, Ind.  
"I take great pleasure in testifying to the re-  
sults of Chamberlain's Cough Remedy. In  
fact, I know of no other preparation that  
meets so fully the expectations of the most ex-  
acting in cases of croup and coughs of child-  
ren. As it contains no opium, chloroform or  
morphine it certainly makes a most safe,  
pleasant and efficacious remedy for the ill-  
it is intended."

**STIFF NECK**  
Stiff neck is caused by rheumatism of the  
muscles of the neck. It is usually confined to  
one side, or to the back of the neck and one  
side. While it is often quite painful, quick re-  
lief may be had by applying Chamberlain's  
Liniment. Not one case of rheumatism in ten  
requires internal treatment. When there is  
no fever and no swelling as in muscular and  
chronic rheumatism, Chamberlain's Liniment  
will accomplish more than any internal treat-  
ment.

**THE BEST PLASTER**  
A piece of flannel with tapes attached for  
holding it in position, slightly dampened with  
Chamberlain's Liniment and bound on over  
the seat of pain is superior to any plaster.

## LIVESTOCK MARKET.

The Sheep Market Shows a Decline—  
Cattle Advance.

Chicago, Union Stock Yards, Sept.  
24.—Receipts of western range cat-  
tle last week 29,000, against 26,000 the  
previous week and 16,000 the cor-  
responding week of last year. For  
the season to date arrivals totaled  
106,700, against 145,000 the like period  
of 1908.

Notwithstanding the fact that re-  
ceipts of western range cattle last  
week were the largest of the season,  
good to choice offerings advanced 10c  
to 15c, while other kinds held steady.

Eastern shippers were lively bidders  
for their kinds, exporters were freer  
operators and local packers showed  
anxiety over securing their quota of  
the supplies. This resulted in a fair-  
ly active market on most days in the  
fact of a sharp decline in prices for  
similar classes of native cattle. Top  
of \$7.00 was paid for 17 head of well-  
fattened 1,552-pound horned heaves  
from the Cooper Montana range,  
the highest since 1902, being obtained  
by Clay, Robinson & Co. Bulk beef  
steers at \$4.75 to \$6.00. Late trading  
in cows and heifers did not show ma-  
terial change from one week ago. Ex-  
porters were good buyers of weighty  
cows, although they gave the trade  
in heifers poorer support. There was  
excellent call for feeders.

For the week thus far beef steers  
have declined 15c to 25c. On Wed-  
nesday, Clay, Robinson & Co. sold  
two loads of Montanas at \$7.00. Cows  
and heifers advanced 10c to 15c.

**Lambs Lower; Sheep Higher.**  
Supplies of western range lambs  
last week were excessive and buyers  
dominated the trade on most days.  
The result was that prices late last  
week showed a decline of 10c to 15c.  
Top was \$7.55, this price being ob-  
tained by Clay, Robinson & Co. for  
Utah offerings, while selling in main  
was at \$7.15 to \$7.50. Sheep and  
yearlings, under moderate proportions  
to total receipts and keen competition  
from feeder buyers, put sellers in  
strong position and prices were  
boosted mostly 10c. Summit on sheep  
was \$5.00 and bulk made \$4.50 to \$4.85,  
while yearlings went largely at \$5.25  
to \$5.50. Prices for both feeder  
sheep and lambs held on a firm  
basis, most lambs going back to the  
country at a cost of \$6.50 to \$6.65,  
bulk sheep \$3.60 to \$4.60 and year-  
lings largely at \$5.40 to \$5.60, while  
breeding ewes in main sold at \$4.75  
to \$6.25.

For the week thus far sheep lost  
10c to 15c and lambs went 15c to 25c  
down.

**More of Peary's Littleness.**  
New York, Sept. 26.—Commander  
Robert E. Peary refused absolutely  
to allow any of the records or instru-  
ments of Dr. Frederick A. Cook to  
be brought aboard the steamer  
Roosevelt and was thus instrumental

in causing these records to remain  
in a cax at Etah, Greenland, accord-  
ing to Harry Whitney, the New  
Haven sportsman, in a dispatch re-  
ceived this city by Dr. Cook today.

The message, which came as a re-  
sponse one sent by Dr. Cook, fol-  
lows:  
Cape Ly, N. F., Sept. 25.—"Dr. F.  
A. Cox, Waldorf, New York: Start-  
ed for home Roosevelt Nothing ar-  
rived in me. Peary would allow  
nothing belonging to you on board.  
Said I leave everything in cache at  
Etah.

"McCaptain Sam, North Star. Did  
not go back after going schooner  
board t. Johns; take steamer home.  
Hope you well. See you soon. Ex-  
plain t. Good shooting.

"HARRY WHITNEY."  
"It may be that the instruments will  
arrive his year, after all," he said.  
"and a for the records and observa-  
tions, their non-arrival here makes no  
difference whatever, as I have com-  
plete copies, so that there will be  
no delay in compiling my story with  
all its details."

Dr. Cook did not appear to be  
greatly perturbed by the news he had  
received from Mr. Whitney. He  
hopes to see him in a very short time  
and her a complete explanation of  
the occurrences at Etah.

Dr. Cook denied the report that he  
was trying suit for slander against  
Peary.

"There is no truth in the report,"  
he said "I have no intention of  
bringing suit. Naturally, I am taking  
measure to have everything in order  
in case of necessity, but I have never  
even thought of filing a suit, and I  
wish to contradict such reports at  
once."

If they are still at Etah, Dr. Cook's  
instruments may not arrive in New  
York until the spring months of 1910.  
There is a possibility, however, of  
their reaching here this year, as an-  
other vessel may have touched at  
Etah after the Roosevelt left there.
