#### AN IDEAL COUGH MEDICINE

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Whitshire, of Gwynville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Remedy. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ill it is intended."

**STIFF NECK**  
Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment.

**THE BEST PLASTER**  
A piece of Chamberlain's Liniment attached for holding it in position, slightly dampened with Chamberlain's Liniment and bound on over the seat of pain is superior to any plaster.

## HAVE YOU FOUND THE SHOE THAT JUST SUITS YOU?

And how often you have put your foot into a trim, stylish-looking shoe, only to take it out as quick as possible because of the discomfort of it. But when have you ever found all three qualities in the same shoe—Style—Comfort—Wear? **Never—unless you have worn the Bradley Shoe.** "Bradley" on your shoe is the same as "Sterling" on your silver—all solid quality.
