FREE TRIP TO FAIR FOR LOT PURCHASERS

Monday, Sept. 26 the Montana State Fair opens at Helena. In that city, Saturday, Sept. 24 at 4 o'clock p. m., lots in the original townsite of White Sulphur Springs will be sold at auction. Come to the fair a day ahead and attend this sale. Be sure to take a receipt from the agent when buying a ticket. All purchasers of lots will be credited with the amount of their fare each way from any town in Montana, providing however, they have a receipt showing the amount paid for the ticket.

Here are the reasons why White Sulphur Springs lots are the best investment on the market: This year a railroad having traffic connections with the Puget Sound will enter the town; \$500,000 is to be expended in White Sulphur Springs as soon as the plans are drawn and weather permits, on a health resort which will be the biggest in the northwest; 600,000 acres of agricultural land tributary to the town will be colonized within a year; prices are rising steadily; new people are coming in; this is not a boom, merely the realization of long neglected opportunities.

The town has urgent need at present of a coal, wood and lumber yard, restaurant, boarding and rooming houses, steam laundry, mechanics, artisans, milk dealers, teamsters, laborers, contractors, moving picture show, brick plant auto-garage. It offers splendid opportunities to members of other professions and occupations.

The lots to be sold lie west of the present buildings, towards the new railroad. The growth of every town is westward. In White Sulphur Springs this will be accentuated by the railroad.

These lots are a gilt edge investment. No town has a more brilliant future than White Sulphur Springs. Shrewd investors will attend the sale Saturday. Conditions elsewhere in this issue.
