EVERITT KEMP MAKES A BIG HIT

Everitt Kemp Gave a Pleasing Entertainment as Second Number of Course

Everitt Kemp gave a dramatic reading of the famous story "Sevenoaks" to a large and appreciative audience here Saturday night. It was a rare treat to the lovers of good, clean entertainment that is intellectually beneficial. It is sufficient to say that under trying circumstances Mr. Kemp made a decided hit.

It is greatly regretted by the Lyceum committee, and especially those holding season tickets, that the hall was uncomfortably cold for the entertainment. The fireman seemed to be indifferent to the wants and comfort of the people. Unless ample provision is made for proper heat in the opera house for the next number of the course, another hall will be engaged. The committee will not allow this mistake to happen again.

You may find what you want in our second-hand department. Estimates given on any household goods you wish to sell or exchange.

The Lamb You

Get Here

is real lamb, not the young mutton kind. If you want mutton you'll get it, young, sweet and mild. But we don't sell one for the other. Those who know our meats best like them most. Try some and you'll not fail to come again. Everybody does.
