pany's Addition to Harlowton, and
embracing that territory lying north
of the big drainage ditch running
eastward through said addition, and
between the old channel of the Mus
selshell river on the west and Clark
Avenue on the east, that for a period
of Twenty (20) days after the first
publication of this Notice, S. K.
Campbell, Town Clerk of the Town
of Harlowton, will receive expressions
of approval or disapproval in writing,
of the proposed extension, from res
ident freeholders of the territory pro
posed to be embraced therein.
S. K. CAMPBELL,
Town Clerk.

Alias Summons.
The State of Montana to the above
named Defendant, Greeting:
You are hereby summoned to be
and appear before me John McPar
land, a justice of the peace in and for
the county of Meagher, at my office
in Harlowton, Montana, on the 17th
day of February, A. D., 1912, at 10
o'clock, a. m. of the said day, then
and there to make answer to the
complaint of the above named
plaintiff.
The said civil action is brought to
recover from said defendant, W. G.
Billyard, the sum of Two Hundred
and Seventy-Five Dollars, (\$275.00) as
evidenced by a certain promissory
note dated October 11th, 1911, given
by the said W. G. Billyard. For fur
ther particulars see complaint now on
file in the office of the Justice of the
Peace.
Now in case of your failure to ap
pear and answer as above required,
judgment will be taken against you
by default for the relief demanded in
the plaintiff's complaint.
Given under my hand this 22nd day

ARE YOU GOING TO MISS THIS?

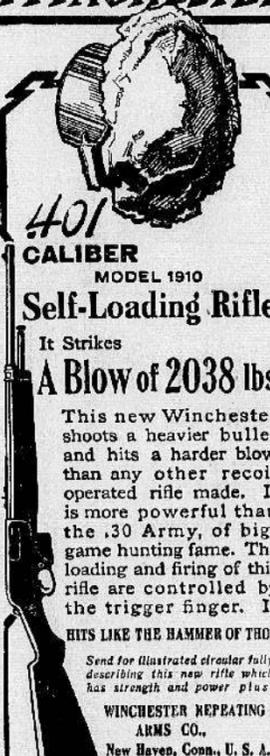

Wm. B. Patty will be at the
opera house on the 7th day of
February, and on that night at
8:10 will send and receive wireless
messages in full view of the audi
ence, ring bells at a distance, start
motors, manipulate signals and
electric lights, and give a compre
hensive demonstration of the pres
ent uses of this much talked of
discovery, as well as explaining its
future possibilities in warfare,
train dispatching, etc. On the
same evening he will also show
the wonders of Radium and Liquid
Air, he bringing a supply of those
materials and apparatus for actual
experiments. A large house is
already assured for the occasion
and it is expected that hundreds
will improve this rare opportunity
to form a delightful acquaintance
with these scientific marvels.
