## WE DEMAND A DEPUTY GAME WARDEN FOR THIS COUNTY

The following resolution was unanimously passed by the Libby Chamber of Commerce:

Whereas, Lincoln and Flathead counties are two of the greatest wild game counties in Montana, and nowhere can there be found an abundance of wild game in a similar area, and nowhere is there greater need of protection than in these two counties.

Whereas, the wild game of Montana is one of its greatest assets and its preservation one of the greatest duties which devolves upon the state administration. And such protection as is necessary should be given while the game is plentiful, rather than to wait until it is destroyed and then at great expense attempt to again stock the forests and mountains.

Whereas, every possible effort should be so exerted to protect the game that instead of its being destroyed it should be increased, and money spent for this purpose is wisely spent.

Whereas, Lincoln and Flathead counties are among the heavily timbered and mountainous counties making game violations easy by reason of these physical conditions and the same reasons make it extremely difficult to properly police the area comprised in these two counties. In addition to this the distances are great from one section to another and the routes of travel difficult.

Whereas, under the present system of game protection these two counties are now embraced within the jurisdiction of one deputy game warden, laying a responsibility upon one official which practically precludes the state from getting an adequate protection for the wild game within this territory.

RESOLVED, by the Libby Chamber of Commerce that a deputy game warden be appointed for each Lincoln and Flathead counties.

RESOLVED, further, that for fear the passage of this resolution may be constructed as a reflection upon Mr. Frank Ralston, the present deputy game warden for these two counties, that we desire to publicly express our appreciation of the services of Mr. Ralston as a

deputy game warden, and we endorse him as a conscientious, capable and painstaking official, who has at all times during his incumbency in this office given to the state invaluable aid in the preservation of the wild game within his territory, but the territory assigned to him is too big for anyone to properly police and protect it.

RESOLVED, that a copy of these resolutions be sent to the governor the state game warden, our state senator and representative and to the press.

Libby Chamber of Commerce  
W. H. Gray, Pres.  
E. A. Southwick, Sec.

## STEAM LAUNDRY BURNS

The boys of the Libby Volunteer Fire department had to roll out in the cold last Saturday morning at six o'clock with the thermometer standing at 25 below zero. The Libby steam laundry caught fire in the engine room and the fire had gained such headway before the alarm was sent in, that the boys had difficulty in saving much of the property. As it was the whole laundry part of the building is ruined and the residence part badly damaged. It is estimated that the loss will amount to \$4000. \$2000 worth of insurance was carried. As soon as the insurance adjusters get here and finish their work arrangements will be made to get new machinery and fix up the building for business again. It will probably be three months before Libby has a steam laundry in operation again.

The boys of the fire department are to be commended for the good work they did in getting to the fire and working with it. Bitter cold as the weather was it made things disagreeable. Whether a drop of water touched it froze into ice on the instant. Some of the boys got struck with the stream of water and they looked as if they might have been survivors of Scott's south polar party.

After getting the fire under control the boys lined up at the Libby hotel for stimulants and here is what appeared on the register: Bill Kemp ..... took whiskey J. M. Duthie ..... " " F. Keller ..... " " Rube Fleek ..... refused to drink Father Fleek ..... booze straight Water works Stone ..... " " God help the poor on a night like this.

Following is the program: A two scene play will be staged. This play is named "A Slight Mistake" and is a thriller composed of five characters. There will also be recitations by Lela McCrory, Rita Croghan, Milly Williams and Lida Larson. ### Hold Inquest

An inquest over the remains of Albert Duckworth was held at the morgue Monday morning. The verdict of the jury was to the effect that the man met death by being struck by a Great Northern train. The jury was composed of W. H. Kemp, W. N. Curtis, J. J. Hibbard, W. F. Kienitz, A. C. Ross and Paul Hickman. Jack O'Brien and Joe Branham of Ural and Nick Powers of Warland came down to give testimony.

At the city council meeting Monday night Chief of Police McQuigge was instructed to hire a dog catcher for the city of Libby. To date not more than 25 dogs are recorded on the city treasurer's books and this move was thought necessary to equalize the thing. It would not be fair to let dogs escape while others are being taxed for the right to exist in Libby. This dog catcher is to have half the fine for his hire. Considering the number of dogs running around this will be a pretty fat job as each one is subject to a fine of \$5. The chief is now scouting for a man to take the job and if you want it you had better see him at once.

### Surprise Party

Miss Mildred Stonechest was very agreeably surprised by a number of her young friends last Saturday evening. The boys and girls, about 15 in number, congregated at the Walker home and from there went in a body to the Reedy residence where Miss Stonechest and her mother were spending the evening. A fine time was had by all present. Games were played and a dainty luncheon was served during the evening. Among those present were: Leonard and Joseph Sheffield, Mario Walker, Cecelie Abbott, Eli Wood, Minor Welsh, Ella Johnston, Irene Rogers, Ella Reedy, Lionel Shaurrette, Ethel Gilmore, Earl Switzer, Austin Reedy, Rosella Raymond and Anna Botschek.

Lincoln's birthday was observed generally here in Libby. The school children had a holiday and most of the business houses closed.

## Want Quarters For Firemen

A committee appeared before the council Monday night and asked that the building or wood shed back of the city hall be fitted up for the fireman, so that a couple of them could sleep there and be handy in case of fire. The mayor appointed a committee to find out the probable cost and also ascertain if the owner would permit of the projected alterations. It was found that it would cost in the neighborhood of \$150 to fix the place to make it habitable.

### A MODEL VALENTINE.

It Can Be Read Crosswise, Up and Down or Backward.  
Here is a model valentine said to have been written by a young Englishman to his sweetheart. The curious feature of this valentine is that it may be read from left to right, from above down and in several other directions, crosswise and back, making fair sense almost any way a person chooses to read it. It is as follows:  
Your face, your tongue, your wit, your wit, your wit,  
So fair, so sweet, so sharp, then hit, then hit, then hit,  
First bent, then draw, mine ear, my heart,  
Mine eye, mine ear, mine heart,  
To love, to love, to love,  
Your face, your tongue, your wit, your wit, your wit,  
Doth lend, doth teach, doth move,  
Your face, your tongue, your wit, your wit, your wit,  
With beams, with sound, with art, with art, with art,  
Doth blind, doth charm, doth rule, doth rule, doth rule,  
Mine eye, mine ear, mine ear, mine ear, mine ear,  
Mine eye, mine ear, my heart, my heart, my heart,  
With life, with hope, my heart, my heart, my heart,  
Your face, your tongue, your wit, your wit, your wit,  
Doth deed, doth feast, doth fill,  
O face, O tongue, O wit,  
With frowns, with cheek, with smart,  
Wrong not, vex not, wound not,  
Mine eye, mine ear, mine heart,  
This eye, this ear, this heart,  
Shall joy, shall bend, shall swear,  
To serve, to trust, to fear.

St. Valentine and Cupid.  
The real St. Valentine flourished about 1,700 years ago. Cupid, who is really more important in celebrating St. Valentine's day, is several hundred years older. Yet Cupid is always pictured as a youth, while St. Valentine is depicted with the dignity of a gray beard.

## THE HEART OF TOMMY.

Th' teacher sez I've got a hart, But teacher's off her trolley.

Once on a time I had a hart, But now it's owned by Molly!

A Valentine Kiss.  
"A kiss upon this valentine I press," he wrote to her. "I've placed it underneath this line. I hope you won't demur."  
"I do not want the kiss you sent," she answered. "not at all! But just because it was well meant I'll keep it till you call."
