A BACHELOR PRAYER

Backward, turn backward, oh Time in your flight,
Give us a maiden with skirts not so tight,
Give us a girl whose charms many or few,
Are not so exposed by much peek-a-boo
Give us a maiden no matter what age
Who won't use the street for a vaudeville stage;
Give us a girl not so sharply in view,
Dress her in skirts that the sun can't shine through,
And give us the dances of days gone by
With plenty of clothes and steps not so high,
Put turkey trot capers and buttermilk slides,
The urdy-rurdy twist and wiggletail rides,
And other such bunny hags all on a level,
As products of hell inspired by the devil.
Then let us feast our tired optics once more
On the "Genuine Woman" as sweet as of yore
Yes, Time, please turn backward and grant our request
For God's richest blessing, but not undressed.

"NOW-A-DAYS"
says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind. He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often. Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco
