HOLIDAY Gems, Jewelry, Silverware

This store is at its best better than ever before because of more extensive preparation than any former year. Ready to serve a greater number of patrons and ready with the most elaborate and beautiful collection of things suitable for presentation that can be imagined. It is not difficult to select appropriate gifts for Yuletide, but of all, what has the real, intrinsic worth of a diamond or a rare gem, a watch, a piece of rich cut glass or something in the line of silver? Such gifts as these are substantial lasting frequently handed down from generation to generation.
