OUR 4TH OF JULY SHOE ROCKETS!

This will be a very winding up of the first half of 1897. Such great quantities of these shoes have already been at the disposal of the nation. But we are now, I think, at the height of the season. The latest returns of the year show an increase in the number of these shoes in the stores and on the shelves. The surplus will rapidly disappear under such price reductions as the following:

LAIDLEY'S BICYCLE - LUGGAGE - BABY SHOES.

Baker's Paws.

Backs and soles.

Ladies' Bicycle - Ladies' Luggage - Baby Shoes.

Ladies' Bicycle - Ladies' Luggage - Baby Shoes.
