LATEST FASHIONS, A DEMAND J. W. BRADLEY'S CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING) SKIRT.

The wonderful flexibility and great comfort and pleasure to be had in wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space, and unfolded and worn as a silk or muslin dress, as a valuable quality in ermine, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies, they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are only double springs, but twice, (or double covered), preventing them from wearing out when dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies, and is constantly recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in ermine, viz: superior quality, perfect manufacture, elegant shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waist-band—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together, and which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirt are sold throughout the United States and elsewhere. Manufactured by the sole owners of the Patent. WESTS, BRADLEY & CARY, 97 Chambers & 79 & 81 Reade Sts., N. Y. January 23d, 1867-3m.
