

**IMPORTANT PROOFS.**  
Of the efficacy of Dr. Harlick's Celebrated Medicines.

The following certificate was sent by Mr. E. B. Himman, agent at Cincinnati, Ohio. There can be no mistake in it, as the parties are well known. Mr. Ezekiel Rigdon, of Anderson township, Hamilton county, Ohio, was several days troubled with bilious affections, acidity of the stomach, attended with the usual symptoms of dyspepsia, and having made trial of various medicines without finding relief, was cured by the above medicines.

Attest,  
Cincinnati, June 30th, 1840.  
E. RIGDON.

YET LATER.—Mr. Vance, of Washington county, writes as follows:—Dear Sir:—Dr. Harlick's pills are performing some of the most wonderful cures in this vicinity ever heard of. They were introduced here about six months ago, by one of my neighbors, who bought a half dozen packages from the Pittsburgh office. I am aware of four cases in this place where complete cures have been performed, one of severe rheumatism, two of dyspepsia, and one of a most shocking and aggravated nervous complaint, of ten or twelve years standing. I send you enclosed five dollars; please to forward pills for that amount by the bearer, William Ward.

Attest  
July 27, 1840.  
N. B. The above certificates, compared with the very many already received, certainly must convince those similarly afflicted, that they can yet be relieved by the use of these invaluable medicines.

**DYSPEPSIA! DYSPEPSIA!**

That troublesome and peace-destroying disease, —Thousands and tens of thousands suffer from that common distressing complaint. Dyspepsia is frequently caused by overloading or distending the stomach by excessive eating or drinking—indigestible and acrid substances taken into the stomach, or from long continued constipation of the bowels, a salutory life, fear, grief, anxiety, a copious draft of cold water, drastic purgative medicines, dysentery, miscarriages, intermittent and spasmodic affections of the stomach and bowels, irregular meals, late hours, and too frequent use of spirituous liquors.

The symptoms of dyspepsia may be described as a want of appetite, or an unnatural or voracious one, nausea and sometimes bilious vomiting, sudden and transient distensions of the stomach at evening, acid and putrescent eructations, water brash, pain in the region of the stomach, excessive salivation of the heart, dizziness and dimness of the sight, disturbed rest, tremors, mental despondency, flatulency, spasms, nervous irritability, chilliness, loss of complexion, great oppression after eating, languor and general debility, sick head, &c.

**CURE**—At the head of all remedies stands Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, which act upon the peristaltic motion of the bowels, thereby producing regularity of the bowels, at the same time improving the functions of the debilitated organs, thus invigorating and restoring the digestive organs to a healthy action. This medicine not only fails in producing relief, but it is attended with such and such directions accompany the above medicine. Likewise a pamphlet which describes the manner of treating, &c.

**FEMALES.**

WHO are troubled with sick headache, pain in the side, breast, and back, loss of appetite, flatulency, heaviness of spirits, palpitation of the heart, faintness or giddiness, sickness at the stomach, bilious eructations, tightness at the chest, nausea, vomiting, pain in the stomach, flushings of heat, and chilliness, diseases of the nerves, and organs of digestion, &c., &c., those who may be thus afflicted, should neglect to procure Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, which are warranted to give immediate relief. Thousands of us almost daily behold, whose countenances and pale emaciated cheeks bear ocular witness to sickness and affliction. Could these persons be persuaded to use this invaluable medicine, they would soon find their weak and debilitated frames strengthened, their minds composed, and all pain, and distress driven from the system, when the body will again renew its lost vigor, and put on a new life, and death for a while be deprived of its prey. What heart but feels glad to behold their near relatives and dear friends, snatched as if by magic from that fatal distress, and to see those who are laboring under disease let not another day or night pass without procuring this medicine, as it will in a majority of cases effect a permanent cure. Remember delays are dangerous; and if disease is neglected, its ravages will doubly increase.

Principal Office for the United States, No. 19, NORTH EIGHTH STREET, where recommendations of hundreds of persons may be seen, all of which have been cured or benefited by the medicine.

**SICKNESS.**

THERE are many persons that we daily behold, whose countenances and frail limbs denote affliction, which we find has principally originated from neglect of proper remedies at the commencement of sickness. At first the patient complains of bile on the stomach attended with flatulency, &c., he neglects to procure proper medicine; at length he complains of pain in the side and stomach with eructations; his appetite becomes impaired, his rest troublesome, his mind harassed, and all things around him appear not in their proper station. He still neglects himself, when in all probability the disease may at length be so fast scated, that no medical aid will replace him again. At the first attack of sickness there should be "no time lost" in procuring Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, which immediately remove bile from the stomach, obviate constipation, remove disorders in the head, invigorate the mind, strengthen the body, improve the memory, and even the imagination; thus restoring the body again to its proper functions.

**TO THE AFFLICTED.**

THOSE who are suffering from various diseases incident to the human family, would do well to procure Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, which are so pre-eminently recommended for Dyspepsia, Liver Complaints, jaundice in the side, back and breast, Nervous Affections, Head-ache, and all the diseases of the Stomach and Bowels. Pamphlets may be obtained gratis, which contain full and explicit directions for using. The reader is referred to several very interesting certificates of cures in this paper, which may be relied upon, as they are taken from the original. **BOSTON NOTION,**  
THE LARGEST AND CHEAPEST NEWS-PAPER IN THE WORLD.

THE spirit of the age is utilitarian. Improvement is stamped upon the face of every thing. All the useful arts are progressing with unparalleled rapidity, and the Art of Printing is coming in for its full share of the common improvement. Determined not to be outdone in any thing that pertains to his profession, where there is a fair chance for exertion and enterprise, the undersigned has determined upon issuing a sheet twice the size of the Boston Weekly Times, and is to take the place of that paper, and will contain eight columns more matter than the Brother Jonathan. This sheet will be called the BOSTON NOTION, and it is determined that it shall sustain a cognomen so richly characteristic of our Yankee city. It will be the LARGEST NEWS-PAPER IN THE WORLD—without exception—and will be printed on a sheet thirty-seven by fifty-two inches. It will be filled entirely with reading matter, and will contain Three Thousand Eight Hundred and Eighty Eight square inches, or Twenty-Seven square feet of print in fine type! and a single number will contain more reading than an ordinary book of Three Hundred pages. These dimensions will enable the publisher to draw largely upon the most popular periodicals of the day, both American and Foreign; and as the sheet is to be published with great care, it is believed this paper will be a welcome Notion to every family. Besides a full synopsis of the current news of the day, as published in the Boston Daily Times, it will contain Poetry, Popular Tales, Theatrical Criticisms, Police and other Court Reports, Humorous Articles, &c. &c.

The whole world of Literature will be ransacked to fill it. From the study of the philosopher down to the police copist, through all regions of reason, poetry, romance, wit, and the simple record of folly, we shall glean from the past and the present and from all nations, to present as pleasing and useful a combination of recorded thought and current history, as the world can supply or industry produce. This is our "Boston Notion."

This great amount of wisdom and fun—of wit and philosophy—of novelties and antiquities—we are able to offer weekly for SIX CENTS per copy, only six cents! and we can do it because of the facilities of our press and office, and the connection of daily and weekly publications. For THREE DOLLARS we can sell a year's volume, equal in quantity of matter, with every variety also, to Fifty-two Volumes of Novels, such as are issued from the Press of this day. Fifty-two large Volumes for Three Dollars! Effected all by improved machinery, and by a determination that we will not be outdone in enterprise and usefulness.

TERMS.—THREE DOLLARS a year, always in advance—no orders, no matter from what source, will be attended to unless accompanied with the CASH. Single copies six cents each.

Post Masters or others remitting Twenty Dollars shall have Eight copies sent to such persons and places as they may designate.

GEORGE ROBERTS, Publisher.

**MORE POSITIVE PROOF**

Of the efficacy of Dr. Harlick's Compound Strengthening and German Aperient Pills.

ALLEGHANY, Jan. 8, 1840.

To Dr. Harlick's Agent—Sir: I wish to state for the benefit of those who may be afflicted, that Dr. Harlick's Pills have entirely cured me of Dyspepsia, of which I have been afflicted for many years. I used both kinds, the Aperient and Strengthening, and I am constrained to say, that they are a valuable discovery, and act upon the system mildly, but very effectually. I found the Tonic pills to quicken the circulation and cause a determination to the surface, and to strengthen the weak stomach and increase its powers. The Aperient pills are the best cathartic I ever used. I am confident all Dyspepsias would do well to make immediate trial and be relieved. Any one can call at my house and be satisfied of the above at pleasure.

DAVID R. POPE.

**LIVER COMPLAINT.**

THIS disease is discovered by a fixed oblique pain in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach; there is in the right side also a distention; the patient loses his appetite, and becomes sick and troubled with vomiting. The tongue becomes rough and black, the countenance changes to a pale or citron color, or yellow like the one afflicted with jaundice, difficulty of breathing, disturbed rest, attendance with a dry cough, difficulty of laying on the left side, the body becomes weak, and finally the disease terminates into one of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, if taken at the commencement of this disease, will check it, and by continuing the use of the medicine a few weeks, a perfect cure will be performed. Thousands can testify to this fact.

Certificates of many persons may daily be seen of the efficacy of this invaluable medicine, by applying at the Medical Office, No. 19, NORTH EIGHTH STREET, Philadelphia.

HENRY YOXTHEIMER, Agent.

**PRINCIPAL REASONS**

Why Dr. HARLICK'S Compound Strengthening Tonic and German Aperient Pills, are used by all classes of people, in preference to other Medicines, because they are prepared from a pure extract of herbs, a wholesome medicine, mild in its operation and pleasant in its effect—the most certain preserver of health, a safe and edacious cure of Dyspepsia or Indigestion, and all stomach complaints, a restorer and purifier of the whole system.

Because they soothe the nerves of sensibility and fortify the nerves of motion, imparting to their most subtle and its pristine tone, thus giving strength and clearness of mind.

Because they never destroy the coats of the stomach and bowels, as all strong purgatives do.

Because science and experience teach us that no mere purgative alone will cure the disease of the stomach and nerves. Weakness is the primary cause of a host of diseases, and by continually resorting to Drastic purgatives, you make the disease worse, instead of better.

Because Dr. Harlick's Medicines are put up upon the common sense principle, to "do no harm and strengthen," which is the only course to pursue to effect a cure.—Lastly,

Because these Medicines really do cure the disease for which they are recommended. Principal Office for the United States, is at No. 19 North Eighth street, Philadelphia.

HENRY YOXTHEIMER, Agent.

TRUTH WILL PREVAIL.

Dr. Harlick's medicines are daily increasing in public favor, and want from us but a fair trial to establish their worth. We have a communication in our columns to-day from a person long afflicted, which is but one of many vouchers for this medicine.—Spirit of the Times.

**GODEY'S LADY'S BOOK**  
Volumes 22 & 23, 1841.

THE only Magazine in this country intended for the perusal of Females, that is edited by their own sex. This is an important matter, and should be borne in mind by those mothers who intend catering for their own, or their daughters' instruction and amusement. Miss E. LESLIE will have a contribution in every number.

General Contents.—One original large sized Steel Engraving, by A. L. Dick, in each number; a Fashion Plate, colored, (mark that) every month; two pages Music, (generally original) in each number; forty-eight pages Reading Matter.

The Pictorial Department.—The same attention to this department will be displayed. The splendid Steel Engravings, by A. L. Dick, Esq., that gave so much satisfaction last volume, will be continued. Throughout this year the plates will be varied, and embrace serious and pleasing subjects, and others that will contain a dash of humor. All tastes shall be consulted.

In speaking of our Engravings, we beg leave to call attention to the following published in last volume, viz: View of Con-tact-noble, Schuylkill Water Works, The Indian Maid, The Pilgrim, Happy as a King, The Death of I. O. U. With each of these we published a Fashion plate, containing either three or four figures, beautifully and tastefully colored. Universally pronounced superior to any other Magazine illustrations in this or any other country. Beautiful as they undoubtedly are, we pronounce, without hesitation, that those for this year shall be superior. The engraving shall always be worth more than the price of subscription. We do not as many of our contemporaries do, who would scorn to tell a verbal falsehood, pass off uncolored hand plates as original. Ours are undoubtedly so, and the designs selected by ourselves, and they will be continued throughout the year.

It will be seen by this advertisement, that every effort has been made by the proprietors of this work, to make it superior to any other in America; and a New Year's Gift, the Lady's Book is probably the most proper that could be desired for Ladies, edited by their own sex, and assisted as the Editorial Department is, by the Pictorial Embellishments, it is positively the PARADISE COMPANION.

The Literary Department is placed under the superintendence of Mrs. SARAH J. HALL and Mrs. LYDIA H. SIGOURNEY, two ladies so well known to the world, that to mention their names in connection with any publication, is at once a guarantee of its morality, virtue and utility. Of their capability to conduct the LADY'S BOOK, it is presumed no person will doubt, and the proprietors mention with pleasure, that no English or American Magazine can publish in connection with its literary department, two names so celebrated in the world of letters. It will be remembered that Miss LESLIE contributes to each number.

The Musical Department is under the superintendence of J. G. OSBORN, than whom no person is more capable of doing it justice.

General Features.—Literature, Talks, Essays, Legends, Romantic Incidents in History, Extracts from the Old Poets, Reviews, Poetry, Female Education, Embellishments, Fashions Colored, Lace, Embroidery, Fancy Stitches, Music, &c. &c. A great deal of notice is often expressed to see the Engravings, and the sketches of persons. We shall endeavor so far as lies in our power to gratify this feeling, by giving from time to time, correct imitations of the most celebrated Female writers of the day.

Transmission by Mail.—One advantage the subscribers of this work will have, is its early reception. It will be received at the remotest cities of the Union, by the first day of the month of publication.

Business Department.—The price of the publication is THREE DOLLARS per annum—the money to be positively received before a number is sent. No letters will be taken from the Post Office, unless the postage on them is paid. Unless positive orders are given at the time of subscribing, the work is continued after the first year, and if not paid during the year, the price will be increased to FOUR DOLLARS.

We still continue to furnish WALTER SCOTT'S Novels complete, and the LADY'S BOOK one year, for one dollar in advance.

For the convenience of persons wishing to subscribe for any of the following publications—Graham's Magazine—Saturday Courier—Saturday Chronicle—Alexander's Weekly Messenger, or Saturday Evening Post—they will be furnished with the LADY'S BOOK, and any one of these publications one year, upon the receipt of FIVE DOLLARS, postage paid. Address  
L. A. GODEY,  
211, Chestnut Street, Philadelphia.

For \$5 two copies will be forwarded one year, or one copy two years.

Since the publication of our original prospectus, the Brother Jonathan has been ENLARGED and its size, simply before, has been so much increased, that much more care in the former quantity of the most interesting literature of the day is enclosed in its three columns. **ASTONISHING INCREASE.**

FOUR THOUSAND NEW SUBSCRIBERS IN TWO MONTHS!!!

When we first purchased the old and well known establishment of the

Saturday Evening Post, we stated that the paper circulated so widely among the steady reading portion of the United States, that we entered upon our labors with full confidence of the future. Our success has since been beyond our most sanguine expectation, as our weekly receipts overbalance those of any contemporary paper. Our list has continued to swell up, with unexampled rapidity, and we have the confidence, that at the present rate of increase, we shall be enabled in a few months to boast of more than 35,000 subscribers! When we commenced our labors, we announced distinctly, that the tone of the paper should be decidedly moral, and that nothing should be admitted into our columns, which the most fastidious father could disapprove of, and determined that as an approved Family Paper, it should not contain a paragraph, with the spirit of which a parent would not wish to have a daughter familiar, and we therefore, with this view, announced that no theatrical notices should appear in our columns, and that we should be opposed to theatres as being calculated to injure the healthy action of an honest mind, as creative of exhibitions demoralizing in tendency, and fearfully pernicious in fact. There were not wanting blusters, who made a great parade of our columns, which they should be admitted into our columns, which the most fastidious father could disapprove of, and determined that as an approved Family Paper, it should not contain a paragraph, with the spirit of which a parent would not wish to have a daughter familiar, and we therefore, with this view, announced that no theatrical notices should appear in our columns, and that we should be opposed to theatres as being calculated to injure the healthy action of an honest mind, as creative of exhibitions demoralizing in tendency, and fearfully pernicious in fact.
