

**BALTIMORE MARKET.**  
Office of the BALTIMORE AMERICAN, Dec. 19.  
FLOUR—Susquehanna Flour is held at \$4.25.  
GRAIN—We continue to quote Md. red Wheat at 85 a 90 cts—the latter for strictly prime lots. Other sorts sell lower in quality. Sales of both white and yellow corn at 41 cts. and of a lot of Eastern Shred of Md. Rye at 57 cts. Sales of Md. Oats at 22 a 24 cts.

**MOMENTARY CHANGES.**—The bodies of all created beings are perpetually undergoing a species of evolutionary changes; it is therefore evident, that in order to facilitate this periodical change, the natural outlet of the body must be kept in a proper condition; for if the noxious humors are allowed to remain too long in the body, they become excessively sharp and corrosive, occasioning the most terrible and fatal disorders, which frequently entail ease of suffering and anguish. When this is the case, I would conscientiously recommend to such an immediate use of the *Brandreth Vegetable Universal Pills*—a medicine which has attained its recent standard of usefulness, solely from its exceeding salutary properties; these Pills being in nothing more than an assistant of nature, using her to do that which is required to produce healthy condition of the body. Such being the case, it is evident that they can be administered with safety to advanced age, as well as to helpless infancy, and invariably with the same beneficial results.
