The "Sugar Coated Pills."

Reward of Merit—Certificate of our Invention, New York, June 16th, 1844. WE, the undersigned, never saw or heard of "Sugar Coated Pills," until Dr. G. Benjamin Smith manufactured and exhibited them to us about a year since.

Received this 17th day of June, 1844, from Dr. G. Benjamin Smith, the fee of \$30, payable on his application for a patent for a Pill "Coated with Sugar."

As these Pills are prepared by an educated physician, they have an advantage over other preparations so much advertised, and are sufficiently distinguished from all others by their virtues, aside from their peculiar pleasantness.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. BENJAMIN SMITH'S signature is on every box. Price 25 cents.

REGISTERED PIANOS. THE SUBSCRIBER has been appointed agent, for the sale of CONRAD MEYER'S CELEBRATED PREMIUM ROSE WOOD PIANOS, at this place. These Pianos have a plain, massive and beautiful exterior finish, and for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from CARL DITZ, a celebrated performer, and himself a manufacturer:

A CARD. HAVING had the pleasure of trying the excellent Piano Fortes manufactured by Mr. Meyer, and exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and during a sojourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber.

ADMINISTRATOR'S SALE. VALUABLE FARM FOR SALE. BY VIRTUE of the power vested in me, by the will of the late THOMAS GRANT, dec'd., will be sold at public sale on Wednesday, the 23d day of July next, at the residence of Houghing upon the premises of the Mansion Farm, of the late Thomas Grant, dec'd., in Augusta township, Northumberland county, Pa., situate on the east side of the River Susquehanna, equidistant, and about a mile from the boroughs of Sunbury and Northumberland, all that valuable estate, late the Mansion Farm of said Thomas Grant, dec'd., adjoining the farm of Samuel Hunter on the south, land of Thomas Rolins on the east, other land of the late Thomas Grant on the north, and the Susquehanna River on the west, containing, together, two hundred and twenty six acres, and seventy perches, more or less, of which about two hundred and fifteen acres are cleared and about one hundred and fifteen acres are first rate River bottom land.

The improvements consist of a two story double farm house, 40 feet front by 30 feet in depth, with frame back building and frame kitchen, and some milk house and oven attached, and a pump and well of excellent water in the kitchen, a stone smoke house, a large bark barn, 1st story stone, 2d do, frame, 80 feet long by 36 feet in depth, a 2 story wagon house, with granary above and corn crib attached, a frame carriage house and granary, and a large log barn and stable, with a new and improved cider press, with shingled roof over the same. And

ALSO: A two story brick dwelling house, containing in front 26 feet and in depth 27 feet, 10 inches, and brick two story kitchen, 20 feet in front by 14 feet, 6 inches in depth. There are upon the premises two apple orchards in excellent order, of the most valuable fruit, one containing about eight and the other about nine acres.

This Farm is one of the most valuable and productive in the State, is in the highest state of cultivation, and located in the heart of a district, which, for salubrity of climate and picturesque scenery, is unsurpassed. It is situate on the pool of the Shamokin dam, at the eastern terminus of the Northumberland Bridge. Its proximity to the thriving boroughs of Sunbury and Northumberland, and the probability that the hills contain valuable bodies of Iron Ore, and its admirable location in the heart of the Iron and Coal regions of Pennsylvania, to which there is a heavy and increasing emigration, gives this property an additional value, and renders it well worthy of the attention of capitalists and farmers.
