

LOCAL AND PERSONAL.

EBENSBURG AND CRESSON RAILROAD. On and after Monday, May 29th, 1865, trains on this road will run as follows:

LEAVE EBENSBURG—At 6.00 A. M., connecting with Day Ex. and Mail East, and Erie Mail West.

LEAVE CRESSON—At 11.00 A. M., or on departure of Mail Train East.

ETCHINGS.—The sale of Seven-Thirty Bonds by the First National Bank of Johnstown amounts to over \$180,000.

The corner-stone of a new English Evangelical Lutheran church was laid, with appropriate ceremonies, in Johnstown on Sunday week.

The Hollidaysburg Standard says it would like to indulge in the luxury of a new font of type, but don't see how it can afford it, unless the price of materials decline or its editor is elected to Congress.

As neither of these contingencies is probable, we suppose the Standard will have to flutter its accustomed rags to the breeze for an indefinite length of time to come.

The Dem. County Convention of Blair county convenes at Hollidaysburg on the 2d August. The Union Convention convenes at the same place on the 15th day of July.

William S. Campbell, proprietor of the "St. Lawrence Hotel," Phila., died on the 12th instant, aged 50 years. He was at one time Superintendent of the Portage Railroad, and was well and favorably known in this county, where he resided for a period.

Maj. James Potts and Col. John P. Linton announce themselves as candidates for the office of Assemblyman, subject to the decision of the Dem. Co. Convention of Cambria county.

John F. Barnes, Esq., is a candidate for the office of District Attorney. The "Howard Dramatic Troupe" are catching it from every quarter. The Indiana papers denounce their performance as a humbug, and the Blairsville paper says they ran away from that town without paying their hotel and printing bills.

Last week's issue concluded the twentieth volume of the Huntingdon Globe. The only harm we wish it is that it may live twenty years longer, always remaining the same vigorous, independent paper it now is.

A new passenger car has been placed on the Hollidaysburg branch railroad. Mr. Tom Davis, a member of the 12th regular infantry, has arrived home here, after a long and arduous term of service in the field.

He was an inmate of various rebel prisons for eighteen months, and looks somewhat the worse of the wear, but a season of rest and quiet among his friends is probably all that is required to "set him up again."

THE OVATION TO OUR SOLDIERS ON THE COMING "FOURTH."—Programme for the Day.—The Committee appointed by the Ladies of Ebensburg to superintend the ovation to be given our soldiers on the Fourth of July, beg leave to report that the following programme has been agreed on:

Prayer—Rev. Wm. Lloyd. Reading of the Declaration of Independence—Phil S. Noon, Esq. Oration—Rev. R. S. Christy. Oration, (Welsh)—Rev. M. Ellis. Oration—Rev. T. C. Wilson. Oration, (Welsh)—Rev. D. Evans. Oration—Rev. A. Baker. Benediction—Rev. L. Powell.

The exercises to be interspersed with vocal music by choir under leadership of Prof. Hugh H. Hughes and John Howells, and instrumental music by Ebensburg Martial Band.

The dinner will be given in Lloyd's Grove, immediately south of the Railroad Depot. Dishes to be uncovered at precisely one o'clock, p. m.

On the good old epicurean principle that the physical man should be ministered to in preference to the intellectual, the dinner will precede the speeches.

Baskets containing eatables should arrive on the ground at 10 o'clock, a. m. Persons bringing plate and dishes are requested to report the number and nature of the same to the Committee, who will keep a register thereof, and see that none be lost.

It is deemed unnecessary here to make a formal appeal to the public in behalf of this ovation to our brave boys. The bare announcement that such an ovation is to be tendered, we feel confident, will be sufficient to cause one and all—the people of the town as well as country—to vie with each other in liberality on the occasion.

All returned soldiers of Ebensburg and vicinity, of whatever term of service, are cordially invited to be present. Every arrangement will be made looking to their comfort and enjoyment.

Citizens are also invited to come. The ladies are expected to be on the ground early, to assist the Committee in the discharge of their duties.

In the evening, a grand display of fireworks will come off. On behalf of the Committee, D. I. EVANS, Chairman.

REAL ESTATE OPERATIONS.—The Hollidaysburg Register of last week says: "In addition to the sale of a 600 acre tract for \$25,000, made by A. L. Holliday, which we noted last week, George Bingham, Esq., has sold 650 acres on Clearfield Creek, near Holliday's tract, for \$40,000, and Mr. James Condon has sold 100 acres to Mr. Joseph Irvin, on the same creek, for \$4,000.

All these lands are coal and timber lands, which will be opened up by the Alleghany Coal and Mining Company's Railroad, which it is expected will soon be under way."

OBITUARY.—Robt. Walker Kerbey died June 4th, 1865, at the residence of his son, Geo. W. Kerbey, Wilmore station, Penna. Railroad, aged 79 years, 10 months and 21 days. He was born in Bristol, England. He was for about forty years a consistent member of the Presbyterian Church. His remains were taken to Chambersburg, his old residence, for interment.

MARRIED: On Tuesday, 20th instant, at Loreto, this county, by Rev. T. S. Reynolds, Mr. THOMAS CALLAN, of Ebensburg, to Miss MARY REGINA MAQUIRE, of Loreto.

We congratulate our friend Thomas, and bespeak for him a long life and a merry one, with uninterrupted prosperity to the end.

MARRIED: At the Cathedral, in Pittsburgh, on Tuesday morning, 20th inst., by the Right Rev. Bishop Domenee, JOHN E. SCANLAN, Esq., to Miss JOSEPHINE M. JOHNSTON, both of Ebensburg.

Tramp! Tramp! Tramp! POPULAR SONG. In the prison-cell I sit, Thinking, mother dear, of you, And our bright and happy home so far away, And the tears still fill my eyes.

Spite of all that I can do, Tho' I try to cheer my comrades, and be gay. Chorus— Tramp, tramp, the boys are marching, O, cheer up, comrades, they will come; And beneath the starry flag We shall breathe the air again.

Of the freeland, in our own beloved home. In the battle-front we stood, When their fierce charge they made, And they swept us off, a hundred men or more; But before we reached their lines They were beaten back dismayed, And we heard the cry of victory o'er and o'er.

So, within the prison-cell, We are waiting for the day That shall come to open wide the iron door, And the hollow eye grows bright, And the poor heart almost gay, As we think of seeing home and friends once more.

A GOOD COMPLEXION.—No one can be said to be devoid of beauty who possesses a good complexion. In our variable climate, it is almost the exception, and our ladies in the bloom of years have outlived this, their greatest charm.

Their skins become harsh, sallow and abraded, and the enlarged pores fill up with disfiguring specks. Gregorie's Enamel of America most effectually corrects this, imparting to the roughest and ugliest skin the delicate coloring and smoothness of a child's.

It removes from its surface all discolorations, whether appearing as freckles, tan or morpew, leaving it white, clear and blooming. Soldiers returning from the wars will find it most effective in removing tan and sunburn. For sale at Thompson's, Ebensburg.

WHO WANTS TO BUY?—Dr. Walter Bell, of Summitville, will sell at public sale, on Friday, July 14th, at 3 o'clock, p. m., his house and lot situated in the center of the "Cresson grounds." The location is a most excellent one for a hotel or summer residence.

THE SINGER SEWING MACHINES.—Our Letter A Family Sewing Machine is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public.

No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, &c. No other Family Sewing Machine has so much capacity for a great variety of work.

It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known.

Any one, even of the most ordinary capacity, can see, at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work.

While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.
