DISTRICT ATTORNEYS HAVE CONTROVERSY  
Fulton Run and Ernest Bands Gave Free  
Concert--Police On Duty

Leading in 50 out of 67 districts with a little over 57 per cent. of the total vote cast at Tuesday's primary, Jonathan Nicholas Langham, Esq., of Indiana, is Indiana county's choice for President Judge. As he received over 50 per cent. of the total vote, his name will be the only one for the high office to be printed on the ballots at the November election.

In the 66 districts, Mr. Langham's vote was 4,886. Judge Telford, the present incumbent, was second with 3,348 and E. Walker Smith was third with 630 votes to his credit.

The voting precincts closed Tuesday evening at 7:00 o'clock and with the word of the vote from the larger districts, the election of Mr. Langham was not questioned and was conceded by his opponents.

Notwithstanding the chilly weather, people began to assemble about 7:00 o'clock near the bulletin screen furnished by THE PATRIOT.

Returns were shown not only of this county but of the neighboring counties as well. About 9:00 o'clock the Fulton Run band furnished excellent music in front of the Patriot's temporary office thus entertaining nearly 1,000 people.

Our stereopticon operators who flashed the returns on the screen, together with the managers of THE PATRIOT, had their hands full until 1:00 o'clock Wednesday morning. The returns sometimes piled a foot high on the table but were rapidly transmitted to the screen. During the intermissions, interesting caricatures and views of the town were shown, keeping the spectators in good humor.

## Punxsutawney Pays Honor to Groundhog

PUNXSUTAWNEY, Pa., Sept. 22.—More than 300 members of the Punxsutawney Groundhog Club and a few score guests met today on Gobblers' Knob, three miles south of this city, to participate in the nineteenth annual hunt and feast of the organization. The scene of the feast and hunt lies on the southern slopes of Gobblers' Knob, which is the highest peak of the Canoe ridge chain and the official home of the official weather bear.

Addresses, all eulogistic of the groundhog and the Groundhog Club, were delivered by Harvey G. Bowers, Richard E. Clover, Walter S. Brown of this city, A. E. Sisson of Erie, Joseph Nilson of Clearfield and others. The speechmaking was interspersed with selections by the groundhog quartet, consisting of H. P. Hillard, W. P. McCartney, John A. Fisher and Dr. F. A. Lorenzo. As dusk closes down upon Gobblers' Knob the official groundhog ode was sung and the pilgrims, after doing the weather salaam, departed for their homes.

Gov. Martin G. Brumbaugh and his party of state officials in the gubernatorial trip through Pennsylvania will visit Indiana county October 4. W. Mack 3,194; and W. N. Liggett 3,182. (Three Districts out) these districts are Second ward, Blairsville, Buffington No. 2 and East Wheatfield No. 2.

We have been praised by many of our town people for the bulletin service and in return we thank them for their appreciation.

## Nominated to Borough Council

DR. H. W. TRUITT

Dr. Harry W. Truitt, of 3rd ward was nominated for Council last Tuesday evening. He secured 33 more votes than all the candidates running for that office. Dr. Truitt's opponent was Mr. E. B. Campbell, of South Seventh street, the well known coal dealer.

## D'Annunzio Drops More Poems From Sky

MILAN, (via Paris), Sept. 22.—A Vicenza dispatch to the "Corriere Della Sera," says:

"On the national fete day (the anniversary of the occupation of Rome by the Italian troops), Gabriel D'Annunzio flew over Trent in an aeroplane and dropped little bags made in the Italian colors and containing a message written by the poet in patriotic style telling the truth about military operations and exhorting the people of the city to await patiently the arrival of the army of freedom. The message was dated: 'From the Sky of the Fatherland, September 20.'

## Thomas Hood Seriously Ill

Thomas Hood, a veteran resident of Elders Ridge, is in a critical condition from a complication of diseases. Owing to his advanced age, his ultimate recovery is a matter of doubt to his relatives and friends.

## ITALIAN ARMY OF 110,000 MEN ON TURKISH SOIL

### Kaiser Rushes More Troops to Western Front

BERLIN, Sept. 23.—A new army of 110,000 men has been sent to the assistance of the allied forces at the Dardanelles, according to the Overseas News Agency.

## DUMBA IS MAROONED

WASHINGTON, Sept. 23.—Austrian Ambassador Dumba is marooned. He must stay in this country until his government complies with the request for his recall. This was broadly hinted at today by high officials. That he will be allowed to return home "on leave" eventually, however, after compliance of the Austrian foreign office with this Government's request was confidently believed.

Word was expected from the Austrian government within a few days, and probably before Dumba's proposed sailing next Tuesday.

It is not believed in diplomatic quarters here that Dumba will dare risk arrest by British authorities by sailing without a safe conduct. The liner Rotterdam, on which he has engaged passage, stops at Falmouth.

## Clarion Normal Sold to State

Harrisburg, Sept. 22.—The State Board of Education tonight completed negotiations for the purchase of the Clarion State Normal School and continued negotiations for the Bloomsburg School. Word was received that stockholders of Slippery Rock school would vote on the question of sale to the State on September 27. The Clarion School which has buildings and grounds valued at \$335,000 and other property worth \$39,500, is to be bought for \$20,000 cash and assumption of \$46,000 debt, the State already having an interest in it.

## New Subway Collapses Many Killed and Hurt

NEW YORK, Sept. 22.—Two hundred persons were dropped 30 feet into a great gap in Seventh avenue today when the new subway, under construction, caved in for an entire block between Twenty-third and Twenty-fourth street, carrying down a crowded Seventh avenue surface car, which was flattened out like a mushroom.

Estimates of the dead and injured were widely at variance on account of the great confusion and ranged anywhere from 25 to 30. The injured, is reported, to exceed 100.

This information was contained in a dispatch from Athens. The reinforcements for the French and British forces are said to have landed at Mudros, on Lemnos Island, in the Aegean sea.

The original expeditionary force on the Gallipoli peninsula has been strengthened by large consignments of troops, principally British. If the information from Athens is correct, however, it may mean that the new army has been sent by Italy.

Several transports departed from Italian ports with large consignments of troops last month. They sailed under sealed orders. A dispatch from Rome at the time said it was generally believed that they were to be employed in operations against Turkey.

ROTTERDAM, Sept. 23.—During the last week the German positions in Belgium have been heavily reinforced, while the fortifications at Lille, in France, have been restored and strengthened.

It is reported here that these precautions have been taken in anticipation of a possible general offensive on the part of the entente allies along the western line before the autumn rains begin.

## Earthquake Shakes Italian Capital

ROME, Sept. 23.—A slight earthquake shock occurred here at 7:05 o'clock this evening. The disturbance lasted a few seconds. No damage was done.

No reports have been received from the provinces.
