

Lewisburg, Pa. FRIDAY MORNING, AUGUST 28, 1857

ADVERTISEMENTS—Manufacturers, Merchants, Mechanics, Public Officers in City and County, Publishers, all who wish to do business, should call on the editors of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

See New Advertisements.

See Williamsport advertisement.

John Luff, of Kelly, offers his neat little home of five acres, at public sale, at Weidensul's, Saturday, 1 P.M. 5th Sept.

The Lycoming Gazette has "renewed its youth" by an entirely new set of neat and elegant type.

Judge Wilcox made an effective and admirable speech to a large audience in Jay's Hall, Philadelphia, on Monday evening last; and took the cars the same evening to meet his engagement in Somerset county on Tuesday.

MORE BUILDING LOTS.—The certainty of the completion of the College and Institute buildings, gives additional assurance that the University lots to be sold at auction in October offer good chances for a safe investment. See advt.

Hon Joseph Casey passed through Lewisburg, last Saturday, on his return, from his summer's sojourn in Minnesota. We never saw him in better color or spirits, and he really thinks it is a very great and very good country all around Teocopa!

Packer's back-otter bothers the honest Dutchman. The Snyder county Tribune inquires—

Freemen is it not a wonder, Packer darf nicht sprechen wieder. His mouth with loco wax is sealed. See chances non sen all verpaalt!

E. M. DAVIS, a benevolent merchant of Philadelphia, has presented us and many of our citizens a copy of HERPER'S "Impending Crisis of the South," and desires its general distribution, himself setting the example by buying 500 copies for that purpose. "Go thou and do likewise."

Yesterday, the Lewisburg Presbyterian Sabbath School proceeded to a grove near Wolfe's mill, to have a celebration. About the time they reached the grove a brisk rain set in. They returned to their room immediately, where they had a fine time, regardless of the state of the weather. Mr. RANDOLPH made an address.

A. C. SIMPSON, Esq., has been urging through the Democrat the importance of throwing a Bridge over the Susquehanna at Selinsgrove. It is astonishing that their business men and capitalists do not see, if not the present need of such a work, at least its absolute necessity in the future for their own safety or prosperity.

A large fire occurred at Jersey Shore on Sunday night last. The house and barn of John A. Gamble, the barn of Thomas Waddle, and the livery stable of Brown & Ramsey were burned to the ground. In the livery stable there were eight horses burned to death. It was supposed to be the work of an incendiary.

Lottery, smutty books, fraudulent, and shooting-iron trade advertisements, are not received at the CHRONICLE office—not so hard up as that, we hope! Some of our contemporaries are getting badly hit, as well as imposing upon their patrons by illegal, immoral and deceptive advertising. Deal fairly and honestly by your friends, Bro. Eds, if you wish a return of the same.

Dr. Brower, of the Danville American, in a review of the whole question of Americanism, this week announces his decision, as an honest, life-long Whig opponent of Slavery Extension and of Papal Domination, to support the Harrisburg nominees. The Dr. had previously spoken doubtfully of the contest, but now rolls up his sleeves for manly work in the good cause.

M'CARTY, Daguerrotypist, is now in Millburg, and will return to Lewisburg on the 10th Sept. Persons in and near Millburg will find him a competent and attentive artist. (Rooms over Orwig's store.)

E. L. MOWRY has removed to the room recently occupied by Mr. Gearhart, opposite this office.

MILITARY ENCAMPMENT, MIFFLINBURG.—On Monday next, a Danville and a Light Street company, escorted by Secler's Band, contemplate a week's encampment at Mifflinburg. Companies from Snyder and Centre counties, are anticipated on Thursday—also Gen. George Buchanan, Maj John W. Simonton, and Gov. James Pollock, from the latter of whom an address is expected. The military and citizens generally are invited to attend, especially on Thursday, which will be the grand display day.

Another encampment is announced at Aaronsburg, but we have forgotten the day fixed upon.

SHAMOKIN, PA.—A correspondent of the Philadelphia Presbyterian states that Shamokin, in Northumberland county, has a large and respectable Presbyterian congregation under the care of Rev. P. B. Marr. Also that an attempt is contemplated to put in operation their literary institution. It will be remembered that a building, 100 feet by 50, had been put under roof, at an expense of \$8,000, when recent failures in that place put a stop to the work. There are now needed \$5,000 to finish the building, and prepare the grounds, for a good and much needed institution of learning. The friends of the enterprise will perhaps apply abroad for some aid.

We referred, week before last, to certain BOOKS AND MAPS offered, and the notice we are glad to find aroused such attention as to satisfy that few if any of the Publishers have intended to wrong us.

Miller, Octon & Mulligan state that they find by their books that our works were pre-ordered and put in the mail some time in December last, and admire the literary taste of the member of the P. O. Department who stole them! (Gold coin fort.)

Patena & Co. wait for the postage before sending out "Mecca and Mohammed."

S. Aug's Mitchell's agent states that he is not responsible for F. Taggart's contracts and does not know his whereabouts.

J. H. C. Whiting, N. E. corner of 5th & Chestnut, Philad., sends us "Geary's Administration in Kansas" (\$1.00)—a work worth reading by all who have any interest in Kansas affairs—and also a 25 cent pamphlet entitled "Jain, or the White Slave."

The other delinquents are delinquent still.

SNYDER COUNTY.—The Democrats met at Middleburg last Monday, and after two adjournments, and 27 ballots for Senator, broke up, angry, and in confusion, without a candidate. The votes stood—Bower 4, Eyer 8, Keller 12. Not so much chance for the other offices, and little difficulty in nominating candidates, as follows:

Assembly—Mathias Wilson, Selinsgrove, Commissioner—Samuel Sholl, Chapman. Treasurer—Seitz Lett, Middlebrook. Auditors—Daniel Showers of Center and Simon Kantz of Penns.

LYCOMING.—The Opposition have nominated the following ticket:

Representative—Robert Montgomery. Register & Recorder—Geo. A. Cramer. Treasurer—Wm Updegraff. Commissioner—J. G. Ferguson. Auditor—Wm Arthur.

CLINTON.—Representative—Wm. Myers. Sheriff—H. C. Bolinger. Commissioner—Chas. Baird. Treasurer—Washington White.

The Democracy of Northumberland county made the following nominations:

Senator—Geo C. Walker, Sunbury. Assembly—Jas C. Rhoads, Milton. Sheriff—Henry J. Reader, M. Ewensville. Probationary—Daniel Beckley, Trevorton. Commissioner—Samuel Ent. Treasurer—James M. Sampson, Sunbury.

BUFFALO HOUSE, LEWISBURG.—For some time past, there has been a generally expressed wish for more hotel accommodations in our growing town, especially for Court and College purposes. Two young men from New Jersey propose to supply that want, and have purchased the most elevated and pleasantly located corner edifice in town—formerly Col. Christ's, late the Female Institute—which they are fitting up, and intend soon to open as a public house. They have excavated the cellar still deeper, and will use the portion on Second street as a bar and general entrance room, having a door leading to it from each street—a splendid portico in front—and parlor, reading room, office, and dining room on second story—with 30 or 40 family and bed rooms on the third and fourth stories and the loft. The stable will also be raised, and the lower floor made to correspond with the late street excavations. Determined as the proprietors are to spare no pains or expense to DESERVE support, in their quiet but pleasant location, such efforts should be successful in securing a fair reward for their enterprise.

Some time last week, a "pre-emptive" orator obstructed one of our public streets several hours, telling funny stories of all ages—some musty and some fresh—to aid in peddling off a lot of 25 cent soap. He sent us a specimen, for which we suppose he wants about a quarter's worth of "soap" in return. But we are told by some who have used the article that it is nothing extra, and therefore advise our people hereafter to patronize their own dealers in soap instead of an itinerant brawler whose moral and financial influence by no means good, and his soap no better.

We are informed that that usually very correct journal, the Germanstown Telegraph, designates Col. SLIFER as the State Treasurer who paid the recent illegal fees for trying to annul the sale of the Public Works. This is a great mistake, as Col. Slifer went out of that office a year ago last May. While in, he blocked several plots of this kind upon the Treasury, and by his vigilance, frankness, and integrity saved the State some thousands of dollars. We feel confident he would not have paid that \$5,000 without better authority than the importunities of a party of life-long, leech-like plunderers!

The Middleburg Journal notices that the lightning one day last week struck near the house of Mr. Snyder, in that place, and killed a cat; also the barn of Mr. Moatz; also the house of Eli Haines, of Washington Tp., demolishing its front; and killed eight sheep standing under a tree of Mr. Courtney's in Middlebrook Tp.

The Surrogate of New York City has decided that Mrs. Cunningham was not married to Dr. Burdell, and his property must go to his heirs.

Anna Brown, the colored woman, convicted for kidnapping, in Lancaster, has been sentenced to seven years in the Eastern Penitentiary. A severe but just sentence.

It is claimed that Rheea county, Ala., is "out of debt, out of crime, and out of whiskey," and the last Circuit Court had not a case on the docket.

Dr. Charles Bower, formerly of Middleburg, is the Democratic nominee for Assembly in Mifflin county. John Parcell, late Member, is the opposing candidate.

At a recent attack of the U. S. troops upon the Indians near the Gila river 25 of the latter were killed.

The Election for Governor of Missouri is still undecided.

Lady Franklin's Expedition has sailed.

Two thousand and seventy-eight shares of stock in the Pittston Bank, chartered by the late Legislature, have been subscribed—seventy-eight shares more than necessary to enable them to take out their charter.

Under the Dred Scott decision a negro has been refused the right of pre-empting land by the register of a land office in Minnesota. Previous to the decision he was allowed to do so.

DEATH OF THE LAST SLAVE.—The Brooklyn (N. Y.) Star announces the death of Margaret Pius, "the last slave" in New York State, on the 4th inst., at the age of 79.

The new Evangelical chapel, Windsor, four miles below Lewisburg, will be dedicated to the worship of God, on Sunday the 30th of August, commencing at 10 o'clock A.M. The public are respectfully invited to attend.

When Dr. VALL'S GYALVANI OIL was first introduced into the market, it never was thought of being applied, by the proprietor, to Lung Diseases, but it being applicable to almost every other disease, the afflicted have used this preparation in Consumption, and, although it has never cured a purely consumptive patient, yet it has saved many who have been prone to the disease from an early grave.

THE HOLDS COMPOUND BLOOD EXTRACT, as a remedy for Bleeding, Rheumatism, Gravel, Dropsy, Weakness, &c., has no equal. Read the advertisement in weekly columns, headed "Bellevue's Compound Preparation."

HOLLOWAY'S PILLS—Bilious humors, and all other kinds of the system which result from an impure or impure blood, are cured by the only cure that restores the blood to its prime quality, and has given more satisfaction to the afflicted than any other medicine of the kind. It is a safe and reliable remedy, and is sold in all the principal cities of the United States.
