### AN OLD MAID'S SOLILOQUY.

"To take or not to take it, is the question—  
Whether it is better to end this earthly career  
A spinster—braving the smiles of those who would  
insist  
That lack of lovers caused my lonely state,—  
Or take the remedies my sisters take,  
And see my eyes grow bright as tho' I bathed  
In the immortal fount De Leon sought  
In vain in Florida's peaceful shades.  
I oft have heard my married sisters say  
That good old Dr. Pierce's Favorite Prescription  
Would bring back color to a faded cheek—  
Restore the health of one who fain would die  
To rid herself of all the pain she feels."

The aforesaid spinster took the remedy—and forthwith took a husband also, having regained her health and blooming beauty.

Thousands of women owe their fresh, blooming countenances to the restorative effects of Dr. Pierce's Favorite Prescription. It is a positive cure for the most complicated and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb.
