AUTO WILL BE SOLD TO PAY FOR REPAIRS

On the 6th of last month a man named A. M. Nelson left an auto at the Cutler garage for repairs. The laws of Utah, however, permit Mr. Cutler to sell the machine, which he will do on January 6th, to the highest cash bidder. To the cost of making repairs will be added storage charges, which are piling up at the rate of \$1.00 per day. The car is a Ford, 1910 model.

People's Co-op. Pays 4 Per Cent

The People's Co-op. Board of Directors held a meeting Saturday and declared a dividend of 4 per cent on all outstanding stock. This came as a most acceptable Christmas present and as a surprise to its many stockholders. The management reports a normal business for the season, which is most pleasing in view of the general slow condition throughout the country.

Not even the words "Merry Christmas" may be written on packages of supplies sent to the starving Belgians. In New York Thursday the American commission for relief of Belgium announced the placing by donors of an inscription of any sort inside or outside the package might subject the entire consignment to confiscation by officials suspicious of a military code message. The prohibition extends to expressions of sympathy and even initials of senders. Private marks or tags are equally objectionable. The
