A raw boy without a dollar, present or prospective, sparking a girl regular and talking about marrying is a spectacle for God and men. He should be reasoned with and if he will not quit it until he is able to support a wife, and to know whom he loves, and the difference between love and chicken pox, he should be quarantined or put in a convent erected purposely for such cases. Nine-tenths of the unhappy marriages are the result of green man calves being allowed to run at large in the society pasture without any yokes on them.
