THREE WORDS

There are three words, the sweetest words
In all human speech—
More sweet than all the songs of birds
Or pages poets preach.

This life may be a vale of tears,
A sad and dreary thing—
Three words, and trouble disappears
And birds begin to sing.
Three words, and all the roses bloom,
The sun begins to shine;
Three words will dissipate the gloom
And water turn to wine.
Three words will cheer the saddest days.

"I Love You"? Wrong, by heck!—
It is another, sweeter phrase,
"Enclosed Find Check."
