A TWICE TOLD TALE
One of Interest to Our Readers.
Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel sure in accepting its truth now. The following experience of a Lehi man is confirmed after two years.
N. E. Darling, prop., Darling Hotel, Main St., Lehi, says: "For years I was troubled in my kidneys and severe backaches and trouble with my kidneys and bladder followed. Doan's Kidney Pills always gave me prompt relief, something every other kidney medicine had failed to do."
REMEMBER ON DOAN'S OVER TWO YEARS LATER, Mr. Darling said: "Whenever I feel in need of a kidney medicine, I know Doan's Kidney Pills will help me."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Darling has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)

Dog is Truly Faithful.
That a dog is a most faithful animal was proved in Seaford recently, says the Seaford (Del.) correspondent of the Philadelphia Record.
The late Wilson W. Donoho for many years acted as yardmaster at the cannery of Greenbaum brothers in the pen-canning season, and every morning his little dog Sport accompanied him to his work when the whistle sounded and stayed with him throughout the day, stationing himself beside an electric light pole in the yard until the cannery closed for the night. Several days when Donoho was sick or absent Sport made the trip alone, but always found friends to share their dinners with him.
This year, when the whistle blew for the first time, Sport left home and went direct to the factory and continued to do so from day to day, refusing to leave his favorite resting place beside the pole.
