## TIMPANOGOS DAY NEXT TUESDAY WITH BANQUET, RALLY AND DANCE

Next Tuesday is Timpanogos Day at American Fork. A crowd of energetic boosters from the Utah State Auto association and the Salt Lake Commercial Club will be the special guests of the American Fork, Lehi and Pleasant Grove Commercial Clubs here that day. The visitors will arrive here about 7 p. m., when they will be banqueted in the basement of the Tabernacle.

All members of the three clubs, their partners and any other public spirited citizens are asked to join in the big banquet. A price of \$1.00 per plate will be asked of all, outside of the Salt Lake guests.

At 8 p. m. a monster rally will be held in the auditorium. A special program of songs, music and speeches has been arranged and the public are all invited to attend this. There will be no charge made. The Silver Band will meet the guests at Lehi and head the procession to American Fork.

After the program in the tabernacle, a grand ball will end the evening's festivities at the Apollo Hall. A charge of 55 cents per couple, ladies free, will be made. The public is invited to attend this also.

Our Commercial Clubs are desirous that the people of the State and Nation should know of the wonders of American Fork Canyon and Mt. Timpanogos. The Salt Lake Clubs put out much advertising each year, telling of Utah's beauty spots. We want our Canyon and government trail to Timpanogos to be included in their advertising.

It is thought later that the clubs will plan a great community hike up Timpanogos to which everyone in the north end will be invited to participate.

A special committee consisting of 12 Commercial Club members, have the work of preparing for the big day Tuesday well under way. They are:

Banquet—Jos. H. Storrs, T. J. Franklin, Jos. Ingersoll and Thomas Coddington.

Program—C. E. Young, P. M. Kelly, Wm. Thornton, Jas. H. Clarke, and E. J. Seastrand.

Reception—E. W. Paxman, James T. Gardner, J. L. Firmage and C. M. Beck.

Publicity and Invitation—S. L. Chipman, L. W. Gaisford and B. S. Kershaw.

The chairman can call any extra help needed. S. L. Chipman, J. L. Firmage, John Berg, Jesse M. Walker and J. E. Chadwick were appointed as a committee to solicit for any deficiencies made in preparing the banquet.

A special invitation was ordered sent to the County Commissioners, E. A. Tourson, Mr. Orem, W. D. Rishell and Dana

Parkinson for their help in securing better roads for American Fork Canyon.

The people should all participate in this big Timpanogos rally and be unanimous in cooperating together to get tourists to visit our canyon and see some of the best scenic wonders of the West.

## MUTUAL DELL WILL SOON BE OPENED

The hut at Mutual Dell will soon be opened to the various troops of girls and boys from all over the state. Already several bunches of tourists from all over the state have visited the canyon.

Monday, Scoutmaster L. P. Fagen of Troop 1 of Bingham was in town. He had with him the patrol leaders of his troop. They left for Community Flat late in the afternoon to pitch tents and make all preparations for the big hike of all the scouts of Bingham.

On Wednesday the whole troop from Bingham came and made their way up to Community Flat where they will make their headquarters for twelve days, according to the scoutmaster. While there they will climb Timpanogos and will perhaps be the first hikers to make the ascent this year.

The Mutual Dell will be opened the last week of June, when the American Fork Second ward will spend its three days there.

It is expected that tourists will be supplied suitable tents at Community Flat all summer long by the government. The place is supplied with table, toilets, etc., which were supplied by the American Fork Commercial club last summer. This is an ideal spot for a vacation this summer.

## Sunday Night's Meeting Exceptionally Good

The meeting Sunday night was exceptionally good, but poorly attended. Fred Houston was in charge, the meeting being given by the Alpine Stake missionary association. The musical numbers were given by Prof. Charles Hopkins and his two little sons.

Elders Southwick, Kaudsen, Anderson and Russon of Lehi were the speakers. They all spoke on the first principals of the Gospel.

Mr. Hopkins' two boys, 6 and 8 years of age, showed exceptional talent. Mr. Hopkins is a resident of Lehi, but has a studio at American Fork and is doing splendid work here.

## UMPIRE, SPANIARDS AND ERRORS COMBINED FAILED TO BEAT US

The fans received a rare treat at the base ball game Wednesday. The Spanish Fork nine were in good condition but were no match for the Champs. Had it not been for the errors made by our men, the Spaniards would probably have been shut out, as Miller pitched a splendid brand of ball, striking out 12 of his opponents.

The Spanish Fork nine started Miller on the mound, who is only an 18 year old high school led. They secured 3 runs on errors in the first innings. When, in the third the locals made 1 run Miller was changed and Simmons was placed on the mound. A timely hit from Burke scored 2 runs, then tying the score.

A feature of the game was Barrett's throw from centerfield, cutting off a man at the home plate.

The locals gained 14 hits against the opponents 11, all well distributed. The final score was 8-9 in our favor after a rally of the Spanish Forkers in the first half of the ninth. It was unnecessary for the last half to be played as we had the game by the 1 run margin.

Boshard, (the umpire) decisions were two-thirds guess work and if he umpires Friday at Spanish Fork its a 10 to 1 shot that we will lose. Miller and Barratt played splendid ball and were really responsible for the winning by the locals, as there were bad errors made by 5 of our players.

The attendance was smaller than usual on account of the opening of the fishing season.

The public should remember that the prices for the games are: Men 50 cents; ladies 25c; children up to 12 years 10 cents. Our boys are playing championship ball and the games are worth double the price asked.

The game here next Wednesday between the locals and Payson is expected to be one of the best of the season. When we played them at Payson a thirteen inning game was necessary to break the tie.

## OLD FOLKS OUTING AT GENEVA NEXT WED.

All the old folks of the Alpine Stake will be royally entertained at their annual summer outing next Wednesday, June 22. The outing this year will be at Geneva. The stake committee, consisting of John Hunter, J. S. Broadbent, Will L. Hayes, Davis J. Strong, R. D. Wadley, Samuel Kirk, Alex Lowe, W. S. Greenwood, and Ray D. Nicholes met Sunday to make the final arrangements. It was decided that the committee would furnish an abundance of ice cream and strawberries to the aged. Other luncheon outside of this will be furnished individually. The committees of each separate ward will be responsible for their ward's transportation.

A program will be given in the bers selected from each of the towns bers selected from each of the town's of the stake, together with speeches, from General Committeemen from Salt Lake and others.

It is expected that dinner will be served to 1000 people. People with cars will be called upon to donate the use of them for the day.

The American Fork committee met Wednesday night and made final arrangements. Every person over the age of 60 years is invited to participate in the activities of the day.

The committee desires all persons over 60 years of age and widows and widowers to assemble at the City Hall at 9 o'clock a. m. Transportation will be furnished from that place. If there are any who have not received an invitation they are to call on the official.

Skaggs Opens Store Here  
During the week the Skaggs Company has been stocking up their new store here, which is located opposite the Orem depot, and according to their ad, which appears in this issue, they open for business this morning, and invite the public to come in and get acquainted.

## AMERICAN FORK WILL CELEBRATE JULY 4TH

American Fork will observe Independence day here July 4th in a fitting manner. This was the decision reached at the mass meeting called by the Mayor Monday night. It was held at the Commercial club rooms, which was well filled with interested citizens.

Mayor Walker acted as chairman and E. J. Seastrand as the secretary. It was decided to have a military parade, the Legion boys and other organizations taking part, and patriotic services which will bespeak the true sentiment of the day.

The Mayor and City Council were authorized to appoint the several committees necessary. These committees will work in connection with the legion boys to make the day a success.

Wallace Chipman, representing the Legion boys, spoke briefly and stated that the boys would be glad to help in any way.

A full, detailed program will be found in these columns later.

The committees appointed to look after the work, as given by Mayor Walker are as follows:

Executive Committee.  
P. M. Kelly, Chairman; Clifford E. Young, W. S. Chipman, Wallace Chipman, Mrs. H. L. Jones, Josie Greenwood, Lillie Wirth, P. M. Nielsen.

Finance.  
W. S. Chipman, Chairman; M. H. Ingersoll, J. L. Firmage, John Berg, Carl Anderson.

Program  
P. M. Kelly, Chairman; Ann Chipman, Mrs. H. L. Jones, John Hunter, Ernest Paxman.

Sports.  
Earl Holmstad, M. Wild, Jake (Continued on Page 6)

## GEO. GRANTHAM SHOT AND PROBABLY FATALLY WOUNDED

George Grantham of American Fork, son of Mrs. Mary Grantham, was shot and probably fatally wounded about 4 o'clock Thursday at the docking corral near Kamas. He was shot by John Berg of this city. Mr. Berg left early Thursday morning for the corral and when he arrived he found two of his men had left—they were Grantham and Everett Laursen. Mr. Berg sent Oliver Hunter after the men. Hunter stated that Grantham was angry because he was sent for and that he had been drinking and quarreling while at the Nelson mine, where he had spent the night.

When he came back he began to quarrel with Peet and after a lot of angry words, Mr. Berg states, Peet pulled his gun, declaring that Grantham could not call him names like that again. They were separated by other workers and Peet was told to put up his gun. Mr. Berg ordered the men to stop quarreling or leave the camp. Mr. Berg says that he then went out among the sheep in the corral and when he heard a cry looked back and saw Grantham with a branding iron raised in one hand and his other hand grasping the throat of Peet, while Peet held a large club and was tussling with Grantham. He states that Grantham then hit Peet with the heavy iron, which knocked "Shorty" to the ground and cut a gash about 4 inches long in his head. Before the men could

reach the fighters Peet had again drawn his revolver and shot Grantham through the stomach, the bullet did not come out.

He was immediately taken to Park City by Berg, Hunter and Laursen and placed in the Park City hospital. The doctors operated, found the bullet and sewed up several large holes in his intestines, but when Mr. Berg left late that night he had not come out of the ether and the doctors did not hold much hope for his recovery. The Deputy Sheriff arrested Peet, but it was the opinion of the eye-witnesses that no case will be made against Peet as he shot in self defense.

A phone call from the Park City hospital late Friday morning was to the effect that Grantham was still alive and that there were some chances for his recovery.

## ANOTHER EARLY SETTLER CALLED

Thomas Walters, one of our early settlers died at the Lehi hospital Wednesday. He was born in Wales, in 1861 and came to Utah with his mother in the hand cart company, he was then 5 years old.

He spent most of his life in this city and Fairfield. The past two years he has lived at Fairfield.

He is survived by his wife Julia, six sons, George, Evan, Eph., Lewis, David and John, and one daughter, Mrs. W. C. Thomas of Fairfield. Four children have preceded him to the grave.

The funeral will be held today (Saturday) at 10 o'clock at the Second ward chapel. The interment will take place at Fairfield.
