**A WONDERFUL CURE**

To the public in general:—We take pleasure in adding our testimony of praise, with so many already before the public, to the worth of John G. Coltrin's Salve. Our mother was sorely afflicted for several years with a very bad case of salt rheum. All endeavors seemed to be of no avail, until Coltrin's Salve was recommended to her. After a faithful application for about four weeks, she was entirely cured, and now feels in duty bound to recommend it to all who are thus afflicted.

**Business Notes.**

"At Omaha I received a new Thrill," says Elbert Hubbard in the April Philistine. "It was the Burlington Station. I believe it was Larry Godkin who once said their was now culture west of Buffalo. And who would look for the finest specimen of pure Greek architecture in America, west of the Missouri? The Burlington Station is finer in its lines than the Girid College building: massive yet modest; severe yet simple—beautiful and restful. I walked clear around the Burlington Station and then out in the middle of the roadway in front of it, I removed my hat and stood uncovered in honor of Tom Kimble, who drew the plans, and the men who supplied the fund and allowed the architect to have his way in carrying out his designs.  
It was Matthew Arnold who said that in America buildings are erected merely to last the lifetime of the man who constructed them, and beyond himself no man had a thought, or cared a dam. I quote substantially, not literally—my verbal memory is bad. But the Burlington Station is built for those who outlive come after. It is built for by its size, yet it is big enough. And I noticed that the temple like quality of the structure has made its influence felt upon the management of the place.

**A SURE CURE FOR CROUP.**

**Twenty-five Years' Constant Use without a Failure.**  
The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It cures in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by H. B. Merrill.

Nervous children are almost always in children. The "out-door-boy" is seldom nervous. WHITE'S CREAM VERMIFUGE is the best preventive of nervousness. It strengthens the system and assists to that sort of flesh, which creates strength and power of endurance. Price 50 cents. At T. J. Wadsworth.

My son has been troubled for years with chronic diarrhoea. Sometime ago he persuaded him to take some Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the 25 cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited. Thomas C. Bower, Glencoe, O. For sale by H. B. **QUESTION ANSWERED.**

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for Indigestion or Bilio-ness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by T. J. Wadsworth.

Get aboard it, however, and its supremacy is at once apparent. Enter the buffet-smoking-library-car-there's comfort in every nook and corner. Glance in the sleepers—handsome—doesn't begin to describe them. The silver-ware seems clean as air as this? And the chair cars—no dust on the seats; no letter on the floor; everything in taste—everything as clean as a pin.  
Leave Denver on the Chicago Special at four o'clock this afternoon and suppose wherever you are in Omaha, St. Joseph, St. Louis, Chicago, New York, you are in Chicago or St. Louis. That's the Chicago Special. It leaves Denver daily. Train for Rock Hill leaves Denver 11:30 p.m.
