

PLEASANT GROVE DEPARTMENT.

Jas. L. Brown was in Pleasant Grove yesterday and today.

A new baby boy at Nathaniel West's. Wife and baby well.

Othello Clark has been spending the past two weeks in the mountains.

Pleasant Grove is being besieged by a score or more of renters. Every available house has been rented.

A new building is to be erected by D. N. Adamson on Main street, between the Noyes and Clark buildings.

A. K. Thornton & Sons are considering the proposition of establishing a lumber yard in Pleasant Grove.

Mayor J. D. Wadley, who is a member of the State Board of Horticulture, is visiting the fruit growers of the southern part of the State.

The new bank will open in Pleasant Grove June 19th. People are elated with the advantages that will be supplied to us by it.

Junius Banks has accepted the principalship of the Mercer school for \$1,000 a year. Mr. Banks is a spirited, energetic, young man, and is bound to succeed.

The joint officers' meeting of the Y M M I A and Y L M I A has already resulted in good. Last Sunday evening the program was exceptionally good and the attendance much improved.

F. J. Banks is putting on some extra men at the brick yard at Lindon to complete the orders that are now crowding him. He will open his first kiln about the 1st of July.

Tuesday evening the Lindon and Pleasant Grove baseball boys met on the field at Lindon. The game was no more than a practice. The boys in each ward are talking of effecting a baseball organization.

Mr. N. K. Nielson, principal of the Springville schools, has just returned from Alberta, Canada, where he has been attending the death bed of his mother, who was an old resident of Pleasant Grove. Principal Nielson leaves us again to attend Summer school at Salt Lake.

During the past two weeks between fifty and sixty scholars and teachers have returned home to Pleasant Grove and settled down; some for a summer of recreation, and others for a summer of work.

Principal James H. Walker has completed his teaching force for the coming year. Mr. Chamberlain will be instructor in music, Miss Lizzie Lindsay of Heber will have charge of the primary work and primary building, Mr. Fred Boss of Vineyard will be principal at

Lindon, and Miss Hazel Newman will teach in the department at Manila. Mr. S. H. Smith, Miss Irene Kelly, Miss Viola Rager, Miss Mary Gleason, Miss Annie E. Parsons, Miss Clara Kener, and Miss Kate Harvey will teach in the Central school, and Miss Vinnie Brown, Miss Sara McKinnan and Miss Elizabeth Thomas will teach at Lindon.

The new druggists are doing a business that surpasses their expectations. Mr. Dunn, one of the owners, will move his family to Pleasant Grove as soon as he can procure a residence. We welcome them and wish them success in their business, and in their sojourn in our town.

Mr. Howard Driggs, assistant principal of the Branch Normal at Cedar City spent Saturday and Sunday at Pleasant Grove. Mrs. Driggs will spend the summer visiting with her parents and friends while Mr. Driggs pursues his professional work at the State University.

The Pleasant Grove District School Alumni association held its annual meeting June 4th, and its annual ball and banquet June 9th. The events were, in every particular, a success. D. H. Robinson acted as toastmaster and was very successful in getting members to respond with appropriate phrases on suggested subjects.

With the picking of strawberries the Pleasant Grove harvest begins. About five hundred cases of strawberries are being picked every day. The season will be about twelve days in duration, thus we expect in the neighborhood of 6,000 cases of strawberries. Cherries, raspberries, and the larger fruits follow in their turn. We invite our northern neighbors to visit us, eat their fill and lay by a supply of the delicious for the coming winter.

The people of Pleasant Grove are elated over the prospects of an extensive water system. Our city is one of the best resident districts in the whole West. We are under the shadows of the old Tempaogas, the grandest old mountain of the State. The mountain springs rise but from a mile and a half to two miles east of us. The sandiest and cleanest beach of the lake is at our feet. Our gardens and orchards are a great success. These and other advantages coupled with the advantage of a good water system, we believe, will induce people to reside with us. The sentiment of the meeting held May 31st was almost unanimous in favor of the system. The meeting was a meeting of the citizens, not of the city officials or any organized party. We hope that the new water system will be taken up as a watch cry and not dropped until we are sure of success.

CHRONIC RHEUMATISM

Positively Cured—Cured Quickly and Permanently by the Use of Kellett's Oil and Sweet Spirits of Eden.

These are the most marvelous remedies of the age. Oil of Eden dissolves and removes through the pores of the skin all impurities. Sweet Spirits of Eden increases the power of the nerves through the circulation of the blood, thus making every organ of the system perform its proper work. Taken in conjunction, these remedies will cure the worst cases of chronic rheumatism, even of years' standing. Kellett's Oil and Sweet Spirits of Eden are not cheap remedies, but inexpensive cures. They cost the sum of \$5.00—a doctor's bill costs much more. Take your choice.

Note the fact that ordinary cases of rheumatism (that is, rheumatism that has not reached the chronic state) may be cured by the use of Oil of Eden alone, which costs but two dollars per bottle. Oil and Sweet Spirits of Eden are put up in small bottles. The remedies are highly concentrated—you do not pay for water.

If you desire further information and proof, drop a post card to the California Co-Operative Medical Company, 906 Broadway, Oakland, Cal., or, better still, purchase two bottles from your druggist and test the goods yourself.

For sale by T. J. Wadsworth, druggist.

Branch Office, 505 F St., Washington, D. C.

You Sometimes Want the Best

It isn't always that you want the best; but when you subscribe for a metropolitan daily newspaper, for any reason, you want one which will give you all the news and in clean and reliable form. The Salt Lake Tribune publishes every day in the year a complete newspaper. Its intermountain news, its mining news, and its news from Washington, and in fact all parts of the globe, is complete and reliable. The Daily and Sunday Tribune are only 25 cents a week, \$1.00 a month, delivered by carrier or mail, anywhere. The Semi-Weekly Tribune, a complete newspaper, published on Tuesday and Friday, is but \$1.50 a year. Sample copies free.

THE DENVER & RIO GRANDE AND THE RIO GRANDE WESTERN

From 10 to 40 minutes faster between Lehi and Salt Lake, Ogden, and all points in Utah county, Tintic and Sanpete.

3 Fast Daily Trains 3 TO THE EAST
