

Funeral of Mrs. Martha Jane Southwick.

Funeral services over the remains of Mrs. Martha Coleman Southwick, who died here Nov. 13, were held from the First ward meeting house Friday. The speakers were Jacob Cox, Sister Rebecca Standing, Edw. Southwick, Bishop Andrew Fjeld, and President S. L. Chipman, who spoke of the good works of the deceased. The casket was covered with beautiful flowers and a large cortege followed the remains to the grave.

BIOGRAPHICAL SKETCH.

Sister Martha Jane Coleman Southwick, who was the daughter of Prime Coleman and Sarah Thornton and was born in Hancock Co., Illinois, on 15th day of September 1843, and was therefore 63 years 1 month, and 29 days old at the time of her departure which was at 5 p. m. Tuesday, Nov. 13, 1906.

She was born during the trying persecutions of the Saints passed through in Illinois, and suffered in connection with her parents at that time until the year 1850, when the family immigrated to Utah with David Evans company and came to Lehi in 1851, which place has been her home ever since. She was baptized into the Church of Jesus Christ of Latter Day Saints in May 1857 by Samuel White and confirmed same time by Thomas Green.

Was married to Wm. Southwick Oct. 20, 1859, by Lorenzo H. Hatch (owing to the U. S. Soldiers being in the territory the Endowment House was closed in Salt Lake City), Aug. 2, 1861, was married in the Endowment House by David H. Wells.

She was the mother of 6 children, 4 sons and 2 daughters. She has 30 grandchildren, 27 of whom are still living. Two sons preceded her to the great beyond, where she has gone to meet them.

She acted as a nurse for a number of years and in the year 1896 she passed a successful examination and was granted a Diploma as Midwife, which occupation she has followed unceasingly up to a few weeks ago, during which time she has attended 585 women an average of more than one a week for the past ten years.

She passed through many trying ordeals in the early history of Lehi in helping to sustain herself and family, but was always cheerful and took special delight in administering to the wants of others and it can truly be said of her that she laid down her life for the benefit of her friends. She was a kind and loving wife and mother and passed away as she has lived full of faith in the Gospel of Christ and hope of meeting her loved ones and a glorious resurrection.

R. G. W. Trains Collide.

The second section of No. 3 on the Rio Grande Western tried to pass the first section on the same track at Lehi early Saturday morning, with disastrous results. W. P. Mapes, a brakeman on the second section, sustained a dislocated shoulder and Fred King, engineer on No. 33, was so severely bruised about the chest that it was thought several ribs were broken. Three passengers were cut and bruised severely, and every one on both trains was shaken by the impact of the collision. The first section of No. 3 was standing at the station waiting for orders when the second section came up in a blinding snowstorm and crashed into the rear of the waiting train. The engineer saw the tail lights too late to come to a full stop, and the second section was going at a rate of about 20 miles an hour when it struck. The engine of the second section plowed into the rear Pullman for a distance of 10 feet and the other cars of the train were almost raised from their trucks. The shock was so great that curtains in the sleepers were unhooked from the rails and several women became hysterical. Seven cars were so damaged as to be out of service.

The Bazar.

The Bazar being given by the ladies of the Relief Society is being well patronized. Queen Effie reigns in regal splendor with dignity and grace. The booths which are filled with exquisite workmanship in all lines of needle work have many visitors, and the ladies who preside over the lunch stands are kept busy all the time. There are plenty of opportunities for guessing for various prizes all the way from ladies' shawls to a ton of coal or \$10 in doctor's fees.

The Queen's Ball Friday night netted the committee over \$100 above all expenses and resulted in the election of Miss Effie Webb by 12,500 votes as against 8,600 for Miss Margaret Cavanaugh.

High School.

Owing to the severity of the weather and the disappointment occasioned by the cancelling of the Perkins date, the lecture by Count Lochwitz Monday night was not very well attended. Those who were present, however, listened to an interesting and instructive address, and came away feeling thankful that they live in the 20th century, under the protection of the stars and stripes.

Supervisor Child attended a meeting of the County Supervisors in Springville on Tuesday.

Thanksgiving Operetta.

The "Berry-Pickers," as the operetta is called, illustrates from country life, teaches the valuable lesson of kindness to associates, and sympathy for the unfortunate. Don't miss seeing and hearing: The Gypsies; The Sailor; The Flower Girls; The Gypsy Camp; The Fortunes; The Prettiest Girls; The Brightest Talent; The Most Beautiful Tableaus; and Finest Singing.

The "Pit-Pat" chorus of female voices, or the "Grand Final" with thirteen parts and seventy-five voices is more than worth your money. Hear the boys and girls. They deserve your patronage. Opera House, Wednesday, Nov. 28th.
