

An old soldier writes about ARIOSA Coffee: "Your coffee is the best and richest coffee I ever drank since I left the service, from '61 until I received your coffee yesterday." A soldier knows coffee by the taste, and the way it makes him feel, and would sooner go without his bread than without his coffee. Arbuckle's ARIOSA was the first roasted, package coffee, package after package.

protection of consumers, roasted and the pores of each berry sealed with a coating of fresh eggs and pure sugar, to hold the goodness in and make the coffee settle clear and quickly. Better than "fresh roast." Warming a little develops the flavor and makes the grinding easy. Our enormous coffee business, exceeding the next four largest firms in the world together, reduces our

average cost per pound, and enables us to give you better coffee for your money than you can buy in any other way. There are more packages of ARIOSA sold in the United States than all the other Coffee packages combined. If your grocer will not supply, write to ARBUCKLE BROS., New York City.

There is more Catarth in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarth to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarth Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 19 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.

WHAT IS THE DIFFERENCE BETWEEN "Improved" and "Perfected" ?

"Perfected" means built up to the highest, modern ideal. "Improved" means only modernness patched onto out-of-dateness.

It doesn't take hair-splitting to distinguish between the two.
