

THE LEHI BANNER

VOLUME XXII

LEHI BANNER SATURDAY, MAY 30, 1914

NUMBER 51

Lehi To Go After First Prize

Big Committee Called Together by Mayor W. F. Gurney and President S. W. Ross of Commercial Club and Will Endeavor to Make Lehi the First City in State-Wide "Clean Town" Contest.

Lehi will enter the "clean town" contest that has now grown into a state-wide movement. Lehi will go after the first prize and hopes to win it. A big wide-awake committee has been appointed to take charge of the movement and every block within the city limits will have its captain, who will work with his neighbors, both by example and precept, to bring about the desired results.

The movement was started by Mayor W. F. Gurney and President Ross of the Commercial Club and has grown to include every organization, religious, social and fraternal, within the city. The first meeting was held Saturday night in the Commercial Club rooms, at which the following representative citizens were present, representing the following organizations: Mayor W. F. Gurney—City Council; J. M. Kirkham—Utah Development League; John Brown—Parents' Class, Fourth Ward; Mrs. John Brown—Relief Society, Fourth Ward; Mrs. J. E. Dorton—Relief Society, First Ward; Mrs. Joseph Gray—Relief Society, Third Ward; Eliza Phillips—Y. L. M. I. A., First Ward; Mrs. W. W. Clark—Relief Society, Second Ward; Mrs. J. H. Gardner—Relief Society, Second Ward; Dr. Holbrook—Board of Health; Junius Banks—Boys' Clubs; George Barnes—Y. M. M. I. A., Third Ward; John Hutchings—Parents' Class, Third Ward; Dr. Worlton—Commercial Club; Mrs. S. W. Ross—Athenian Club; Mrs. H. C. Holbrook—Y. L. M. I. A., Second Ward; Mrs. W. T. Hasler—Home Economics Club; Miss Maud Harwood—Ivey Rebecca Lodge; Miss N. Whalley—Mothers' Club; Miss Smith—Congregational school; S. W. Ross—Newspapers.

This committee will be strengthened till every organization is represented. At the Saturday night meeting addresses were made on the aims and purposes of the movement and the committee enthusiastically voted to enter the state-wide contest. Junius Banks was elected president of the organization and S. W. Ross secretary. Mrs. Banks was given authority to select an executive committee, consisting of four gentlemen and three lady members.

Monday evening President Banks and his executive committee, consisting of S. L. Goodwin, Enoch Russon, A. L. Yates, W. E. Evans, Mrs. E. J. T. Roberts, Mrs. Violet Wing and Miss Maud Harwood, met and laid out a preliminary plan. The twelve points on which the town will be scored were divided among the members of the committee as follows: Mr. Yates—Stables, corrals, disposal of manure; Mr. Goodwin—Disposal of sewage; Mr. Russon—Fences and general appearance of homes, barns and barn yards; Mr. Evans—Garbage, collection and disposal of same; Mr. Banks—Condition of streets, parks and alleys; Miss Harwood—Sanitary marketing of foods; Mrs. Roberts—Sanitation, cleanliness and ventilation of the homes; Mrs. Wing—Flowers, flower gardens and flies; Mr. Ross—Publicity.

These ladies and gentlemen will be heads of the above sub-committees to be composed of the members of the general committee. A motion was carried that the city be divided into blocks and a captain appointed over each. The committee will at once have a general circular issued and these captains will give one to every citizen or resident property owner, explaining what is desired and secure his assistance. A big concert will be arranged for in the near future, when the best musical and histrionic talent will be secured to entertain, while prominent speakers will tell about the state-wide clean town movement.

With the effective organization of eminent citizens that has been perfected and the natural advantages already possessed by Lehi to start with, this city stands a first-class chance of winning first prize. The city is composed of progressive citizens living in neat, artistic homes, with well kept surroundings. Its fences generally are in a well kept condition, and the vacant lots are remarkably few. No city in the state has better streets or kept in a better condition. They are wide enough but not too wide, and are neither muddy or covered with rocks. Mr. Jordan, the state sanitary inspector, stated that while there were a few unsanitary cases in Lehi which he cleaned up, generally the city was in the front rank in this regard. Indications are that the citizens will take readily to the movement, and will vie with each other in keeping their places neat and sanitary and collectively winning the state prize.

Arrangements have been made for a big "clean town" meeting for a week from Sunday. Plans are now being worked out for one of the most interesting contests that has ever been devised, and in which every citizen will be interested. The details will be ready for publication by our next issue and will be given in full.

In another part of this issue is an article on clean towns which gives the scoring points. It should be read carefully.

Special Council Meeting

City Council Votes Help and Finances to Committee in Clean Town Movement.

A special meeting of the city council was held Tuesday evening to take up the clean town movement. President Junius Banks of the "clean town" committee was present and stated that the committee wished to co-operate with the city in working for a clean town and to help win the state prize if possible.

The council expressed itself as heartily favoring the movement and voted \$20 as expenses to the committee in starting on the campaign. The council also voted to back up the committee in its campaign to clean up the town. Moral suasion will be employed and the people's town pride will be appealed to.

The city ordinance bearing on the subject says: "It shall be unlawful for the owner of any slaughter house or meat market to permit said premises or yard connected therewith to remain unclean or detrimental to health, etc."

"It shall be unlawful for any person to cause or permit any unclean, foul, stinking, defective or filthy drain, ditch, tank or gutter, garbage or manure box, or receptacle or similar character to remain on his premises."

"It shall be unlawful for any person to throw or place on any street, alley, sidewalk, ditch, canal or vacant lot, any waste paper or other waste material."

Any one of the above acts constitute a "nuisance," and makes the person maintaining it guilty of a "misdemeanor," the penalty for which is "one hundred dollars fine and one hundred days in the city jail, or any sum less than these amounts."

The city marshal will also look to the enforcement of the ordinances prohibiting open ditches across the sidewalks and the flooding of streets.

MISSIONARY GOES TO EASTERN STATES. Next Tuesday Wilford Russon will leave for a mission to the eastern states. The week has been a busy one for him socially. Last Wednesday a party was given in his honor in the Fourth Ward meetinghouse by the ward choir. The time was spent playing games, eating picnic and dancing. A family party was given Tuesday at the home of his parents, Mr. and Mrs. Enoch Russon. Friday evening the Fourth Ward Sunday School gave a party in his honor in the ward house, which was largely attended. Mr. Russon has been attending school in Provo during the past winter.

UTAH POWER AND LIGHT SERVE ELECTRIC DINNER

Wednesday afternoon and evening about four hundred people were the guests of the Utah Power and Light company at an electric dinner. The banquets were given in the New West school house and were served from 2 to 5 and from 6 to 9 o'clock p. m. The luncheons were given for the purpose of demonstrating the many kinds of electrical cooking appliances that make housework more pleasant during the hot summer months. The many who attended expressed astonishment at the wonderful results obtained in the line of cooking bread, pies, cakes and meats with electric current.

Will Build Depot

Orem Road to Issue Mileage Books and Special Rates to Students. Parties occupying the interurban property on Third-North street have been notified to vacate so that the company can run a switch over the property. This is necessary so that the necessary material may be unloaded for the erection of the new depot that will be commenced soon on the corner of First West street. The company the past week placed cement around all of its poles along Third North street and stretched wire across between the poles. Another gang of men stretched the heavy copper transmission wire over the center

Private Pumping Plants

Mr. J. B. Piefer, who owns a 320-acre Deseret entry just south of the bounds on the west shore of Utah Lake, was in Lehi Wednesday making arrangements to haul two carloads of wood stave pipe from Lehi to his entry.

There is some 3,500 feet of twenty-foot lengths of the pipe, which is twelve inches inside diameter. The pipe will be used in an irrigation plant of six second feet capacity, which he will install on the shore of the lake, and which will lift the water from the lake to an elevation of about 200 feet, from which point it will run by gravity and irrigate between 500 and 600 acres of excellent land owned by Mr. Piefer, J. M. Snow and A. J. Byron. Mr. Piefer hails from Chicago. He seems to be thoroughly progressive and likes Utah.

J. W. Gates of Salt Lake City is also installing a private pumping plant just north of the bounds and about three miles south of Pelican Point. He will use eight-inch pipe, a centrifugal pump and electric power. Others who have plants already installed in this same locality and are preparing to commence irrigation are Dr. Hamer, T. Carmichael and Evan Angely. Mr. Angely was recently married and passed through Lehi on Tuesday with his bride on their way to his lake ranch.

Reports from Mosida are that the crops are in a most excellent condition and that many new people have moved there this spring.

Bootlegger Convicted

Fred Bassett of American Fork, who was arrested on the night of the Utah Electric Club excursion for bootlegging, was tried before a jury in Justice George Webb's court Saturday and found guilty. The jury consisted of C. W. Earl, John Stewart, A. L. Yates and J. C. Baker. From the short time they were out it is evident that they had little trouble in arriving at a verdict.

City Attorney A. J. Evans prosecuted the case for the city and Clarence Beck looked after the interests for the defense. The evidence was practically as stated in our last issue. The officers had been suspecting Bassett and were watching him. Marshal Evans went around the hall one way and Bassett went the other way to miss him, but in doing so stepped close to Policeman Jones and quietly slipped the bottle of beer from beneath his mackintosh into the hip pocket of a man named Nelson. Mr. Jones then stepped up, arrested Bassett and confiscated the beer. Arthur Sabej, who was standing close by, witnessed the transaction.

The case for the defense was that Bassett was only holding the beer for Nelson, while the latter participated in the dance. Their stories, however, were so conflicting and the circumstances related by the officers were so convincing that the jury had little trouble in arriving at a verdict. Monday Bassett appeared for sentence and was sentenced to serve twenty-five days in jail and to pay a fine of \$150. He served notice of appeal and if Bassett does not change his mind the case will go to the district court. He was placed under a \$500 bond.

Lehi has been remarkably free from infractions of the liquor law. This condition is due to the vigilant manner in which the city officials go after the offenders and the heavy fines and jail sentences imposed by the justice. Not a little credit is due to the common sense of Lehi juries, but more than all is the moral support given to the officers by the whole community.

It is said that Bassett was but acting as an agent for the proprietor of a certain club in a neighboring town and that most of the liquor consumed in Lehi comes from this club.

Special Sale

BROADBENT'S STORE ALL THIS NEXT WEEK, COMMENCING MONDAY MORNING. SHOES, SLIPPERS, SUMMER DRESS GOODS, SUMMER UNDERWEAR.

Broadbent's Store

WE WILL DO THE REST. BARGAINS EVERY DAY.

Lindon Defeats Lehi

The baseball game between Lehi and Lindon, which should have been pulled off last week, was played Wednesday. The game was conspicuous by the number of errors made; in fact, the last three runs made by Lindon were unearned. The boys, however, are slowly improving and both teams are made up of men who, when tamed down, will show championship material.

The score was 8 to 5 in favor of Lindon. The line-up follows: LEHI: Garff, pitcher; Keetch, catcher; Sabej, first base; Nielson, second base; Dorton, third base; Gillman, fourth base; Coley, fifth base; E. West, sixth base; Christensen, seventh base; Peterson, eighth base; Kirk Zimmerman, ninth base; Richards, shortstop; Walker, center field; McCarrle, left field; Christianson, right field.

There was a First Ward conference last Sunday. Presidents Chipman, Clark and Evans were present. B. J. Whipple, because of his having moved to American Fork, was honorably released from the bishopric and Joseph Anderson appointed to fill the vacancy.

The Y. L. M. I. A. was also reorganized, Miss Vera Taylor having been selected as a stake worker in the Sunday school. The new officers are Eliza Phillips, president, with Miss Emma Goates and Miss Mary Powell as her first and second counselors, respectively.

L. H. S. ALUMNI BANQUET.

The annual banquet of the high school alumni last Friday evening in the domestic science room of the high school was one of the successful events of the year. The Seniors of 1914 were the special guests. Norman Holmstead presided and introduced Heber Bennion, Jr., as toastmaster. The banquet commenced soon after 8 o'clock and lasted till 10 o'clock, during which time toasts were happily responded to by Prof. W. K. Hopkins, Able Phillips, G. A. Goates, Mrs. Hopkins, Junius Banks, Miss Vera Gardner, Basil Dorton and Miss Lucille Rogers. Miss Veda Hunsaker presided at the cuisine department, which means that superlatives would be necessary in describing the courses served.

The new officers elected are John Rushman, president; Miss Marvel Taylor, vice-president; Miss Flossie Dorton, secretary and treasurer, and Earl Holmstead and Earl Jones, new members of the executive committee.

ALFRED'S STORE ROBBED.

Alfred's variety store was burglarized Monday night. The burglar pried loose the cleats which hold the window in and then removed the window. They went through the cash register, taking a few copper cents and then ransacked the place, finally locating a small handbag belonging to Mrs. Alfyrd, in which was \$3.20 in silver. The officers have not been able to get any definite clue so far.

DEMOCRATIC PRIMARY.

A Democratic primary is hereby called to meet in the Lehi City Hall, June 1, 1914, at 8:30 p. m., for the purpose of electing delegates to the State and Congressional Convention, to be held at Salt Lake City, June 11, 1914, and to transact any other business that might come before the meeting.

JOSEPH ANDERSON, Chairman. E. A. CHILD, Vice-Chairman.
