Pick Pockets.

Three or four years ago Salt Lake was infested by a gang of pickpockets and petty burglars, who had their business here wound up by the police after breaking into Trombridge's billiard hall and stealing the balls and cues. Some of these thieves have returned, accompanied by new and exceedingly hard-looking cases, and their operations have been resumed.

On Thursday afternoon a Frenchman was in one of the saloons and other stanzas common to the sort, and the purse sticking out just enough to be a positive invitation to pickpockets.

At present it is a paying business to be a pickpocket; people are so foolish that a thief scarcely runs any risk; and as long as people are foolish, so long as pickpockets and thieves flourish here.
