Utah of any one make.

Excitement at Omaha.
Chicago, 30.—Times' Omaha: A re-
port, generally circulated, that the water
works would be sold by 400 or 500 Chi-
cago men, brought from the Pacific coast,
caused the executive committee of the
Labor Union to order 250 stand of arms
and 10,000 rounds of ammunition, to
divide the city into districts and arrange
for ringing the fire alarm bell on the ar-
rival of the night train, and to have the
Water Works Company pay the employ-
ment of Chinese has not been discussed,
but the question has been sprung for political
effect on the local ticket.

A Characteristic Yarn.
New York, 31.—It was currently re-
ported last night that great efforts will be
made to-morrow by democrats to delay
voting. Sheriff Howe has appointed let
special deputy sheriffs to be present at
each polling place to carry out the
scheme. The casting of ballots in
Tammamny inspectors in republican
districts to-day. The casting of ballots
means, so to legally reduce the re-
publican vote. Many warrants have
been issued by democratic police justices
to be served upon the democrats, who
though the persons could as easily be
found to-day.

**Politics Make Strange Bed-
fellows.**
New York, 31.—Henry Ward Beecher
has written the following letter in re-
sponse to certain newspaper criticisms:
Brooklyn, 20.

Albert Duggan—If it would promote
the cause of justice and peace, I would
meet with twenty Robert Ingersolls
to speak. It is no time to ask
questions about a man's religious beliefs.
If he believes in his country, in manhood,
in liberty, he has the right to march in
the ranks with me or any other man.
I will be obedient.

(Signed)
HENRY WARD BEECHER.

Mrs. Morey E. M.
Chicago, 31.—The Tribune's Boston
says: Mrs. Morey is a pauper, not a very
intelligent, and consequently a woman
on whom the representations of Harman's
agent, Mr. T. J. Morey, are made great im-
pression. She was willing to sign his
affidavit without inquiring too closely
into its contents. Mr. T. J. Morey was
frustrated because the original affidavit
mentioned only Mr. Morey, while as
documented it read Mr. H. L. Morey. Tar-
butt, who is a respectable attorney, wrote
to the Tribune to denounce to forgery when
he became aware of it.

The Tribune's Boston states that Mrs.
Morey had no son called H. L. Morey;
that the paper given her to sign was
simply Mr. Morey, and that a forgery
had been committed by inserting "H. L."

Another Speech by Grant.
New York, 31.—Grant spoke, yester-
day at Staten Island, as follows:
Ladies and Gentlemen and Comrades:
I thank you heartily for the cordiality of
this gathering. It is an earnest to me that
it would be a thing for the country
to leave the decision of the day to the
people in the hands of this assembly. The
result will be the same when the sun
goes down on Tuesday next as if it per-
tained to the people. I have frequently said
that we are republicans, not because suc-
cess will be of any special benefit to the
republicans, but because our principles
are such as to result in good to all parties
in this broad land. We are all citizens
of great country and whatever benefits the
country brings all.

CHICAGO.
Judge Drummond Declares
the U. S. A. an Unconquerable
Power.

**Mayor Harrison Says He Will
Not Be Builded.**
Chicago, 30.—Judge Drummond, to-
day, in the case of the supervisor inter-
view with the city of Chicago by the
police, announced from the United
States Circuit Court bench the following
strong and important law. There seems
to be some misapprehension in the
mind as to the rights of officers of the
United States in cases of this kind, as
though they were in the position of de-
fendants in a suit, and the rights of the
members of Congress, and where that in-
terference occurs under authority of a
United States statute there can be no law
paramount to it, and as the Supreme
Court of the United States has said there
is nothing in derogation of the rights of
states in this. When the question of na-
tionality and of rights of the United
States as a nation arises and has to be
decided, then the national power and
sovereignty prevails, what is sometimes
called sovereignty of states. Undoubt-
edly, therefore, the national government
has a right to prescribe in what manner
the representatives in Congress shall be
elected, and how security is to be given
to the rights of election, in order to ac-
certain who are legally elected. I must
therefore hold, under the law, that the
supervisor must not be interfered with
by any state authority while in the per-
formance of his duty.

The mayor will, in accordance with
this decision, either have to withdraw
from his position last night or lock horns
with the police government. In order to
run the police government, he must
run the police government. Referring to
the polls on Tuesday, and if the republicans
superior, marshals, deputy sheriffs,
judges, challengers, or anyone else in-
terferes with your ballot, break down
the doors, tear down the building, take
the ballot box put in your ballots and
run the police government. Referring to

THE GREAT WALK COMMENCED.
London, 1.—The pedestrian contest
for the championship of the world began
this morning. There are six competitors,
namely, Littlewood, Pegram, Brown,
Rowell, Dobler and Howard, who were
started at 1 o'clock by Sir John Astley
on one of the best tracks ever laid in Ag-
ricultural Hall. The score at 3 o'clock:
Littlewood, 10 miles; Pegram, 16;
Brown, 10; Rowell, 10; Dobler, 10;
Howard, 10.

London, 1.—In the six days contest
for the Astley belt, which began this
morning at Agricultural Hall, between Sir
John Astley and the six competitors, the
score was 2 to 1 against Dobler, 5 to 2
against Brown, 8 to 1 against Howard,
5 to 1 against Pegram, 8 to 1 against Little-
wood, and 10 to 1 against Rowell. At the
start there was a great race for the
lead between Rowell and Brown; the
latter won, but the unexpected result of
the race was the unexpected result of the
race. The general opinion, at the present, is that
Rowell will win, with Dobler second. The
score at 3 o'clock was—Brown, 10 miles;
Littlewood, 5; Brown, 8; Dobler, 9;
Howard, 7; Pegram, 7. Brown left the
track at 12.35 and has not yet returned.
Rowell and Dobler have been anything
on record.

POLITICAL POINTS.

Nashville, 30.—It is generally conceded
that the vote will be very close between
Hawkins, republican, and Wright, dem-
ocratic. Very few votes have
been made.

Columbus, 30.—The republican state
committee reports no damage done by
the money forgery. Among the converts
of the cause are George M. Newark,
nephew of General George Morgan, and
W. H. Whitley, secretary of the dem-
ocratic committee of Hancock County.
Senator Thurman's non-existence has given
up all hope of Hancock's election.

Cincinnati, 30.—The *Enquirer* con-
tains an interview with Judge Tuley, a
prominent democrat, in which he de-
clares it is the purpose of the republican
leaders to effect a complete territorializa-
tion of the state.

Indianapolis, 30.—Hendricks and
Thurman having stepped aside, it is no
wonder that "Burr" English should come
down as a candidate for governor.

New York, 30.—At least three inspec-
tors will sit in this city, next Tuesday,
conceding the election to the republicans.
The police, who have not the shadow of a right
to be there. These are facts, not dis-
puted; they are known to every intelli-
gent person in this city and surely
some members of Mr. Bayard's party
must feel ashamed that such means are
necessary to achieve success.

Apart from these palpable frauds,
other trickery continues. The tax col-
lector for half of the city, Bradford,
a democrat, has been raising for a great
part of this week, and republicans, who
desire to pay their taxes in order to vote
next Tuesday, have been unable to find
him at all. This is a new and unexpected
device, though a similar one was success-
fully used in one of the hundreds of
Suzer County, before the "little elec-
tion," when the tax collector died.

Chicago, 1.—Times says: Connecticut,
according to best advice, will give Gar-
field a small majority. English will
make a hot contest for the governorship.
Pegram, democratic candidate for Con-
gress in the Second District has the lead
in the Fourth is doubtful, and the First
and Third will go republican.

New York, 1.—The Times correspond-
ent has met many intelligent democrats
who believe they will lose both state and
country. Republicans, high or low, are
expecting a sweeping victory. Being
men among democrats are backing up
their hopes, to-day, with wagers that
New York and Connecticut will go for
Hancock and Connecticut for Garfield.

As to New York, the latest estimates from
the republican state committee are that
they will come down to Harlan. Harlan
with 50,000 majority, and democrats will
not win in the five counties south more
than 60,000 majority. General Grant
expressed the opinion to-day that New
York would go republican by 60,000
majority.

Chicago, 1.—The best estimates of re-
publican majorities in the western states
are as follows: Ohio, 25,000; Indiana,
10,000; Illinois, 25,000; Michigan, 30,000;
Iowa, 50,000; Kansas, 20,000; Nebraska,
15,000; Tennessee, (on governor) 10,000;
Ohio, 25,000.

Chicago, 30.—The Times says: The
democratic journal in southern Indiana
said, to-day: I admit that democrats
have secret organizations in every school
district and voting precinct in the state,
but their sole object is to make our political
organization more perfect. Every
democrat is invited to get at least one vote,
and it has worked like a charm.

THANKSGIVING.
A Proclamation by President
Hayes.

Washington, 31.—The following was
issued Saturday, by the President of the
United States of America:
At no period in our history, since the
United States became a nation, has there
been so abundant and so universal
reasons for joy and gratitude at the favor
of Almighty God, or been so united in
prayer and thanksgiving to Him, as now,
on the day of Thanksgiving, we are
enabled to observe. It is the duty of
all our citizens, in their private and
public life, to give thanks for the many
blessings which have made our country
a nation. We are indebted to Him for
the preservation of our Union, for the
peace and prosperity which have been
granted to us, and for the many other
blessings which have made our country
a nation. We are indebted to Him for
the preservation of our Union, for the
peace and prosperity which have been
granted to us, and for the many other
blessings which have made our country
a nation.
