Fenriul Explosion. Chattanoogs, 19.—To-day a boiler in Captain O'Neit's saw and grist mill, near Stevenson, Alabams, exploded, killing four men, wounding two fallly and two seriously. The mill was de-stroyed. The affair is attributed to the carelessment of the anglaser.

### St. Louis Census.

St. Louis, 18.—Professor Woodward, supervisor of cenus, c mpleted his work of re-enumerating the city to-night, and announces efficially that the population of St. Leuis on the first of last June was 350,015. This is an increase of 26,710 over the census taken by Supervisor Caloman.

A Bread Anticipation.

London, 19.—A telegram special fro aris says grave rumors of another nib Paris says grave rumors of another nihilist conspiracy, even more terrible and more carefully organized than any of the plots hitherto discovered, are aftest here. It is to be feared that ere many weeks, perhaps ere many days, we shall have naws of a castacrophe which may cost the Czar and many inmocent people their lives. The Czar has lost much of his popularity since his morganatic marriage. Several high officials attached to his person are believed to have relations with the biblists.

## New Post Routes

Washington, 19—The patoffice department, to-day, issued orders to establish mail service as follows: In Casisonia, from Lookout to Hillside, Lassen County, and from Lookout to Wade, Modoe County. In Washington Territory, from Happy Home to Highland. In Idaho, from Unallis to Clayton. In Utah, from Quincy to Ibahab. In New Mexico, from Hillsborough to Lake Valley. In Arizona, from Chittonden to Gratforille, Gillett to Overton, McDowell to Reno, telobe to Turner, and Globe to Wheatfield.

Evarts and the Chinese Trenty.

Washington, 10.—Secretary Evarte left for New York to day, where he is to deliver an eration at the unveiling of the statue of Alexander Hamilton in Central Fork. President Hayes and First Controller Lawrence leave this evening to attend the unveiling ceremonics. Celestry Evarts a expected to return from New York on Monday. During his absences the state department declines to make public the text of the new Chinese treaty which has been concluded. It is understood, however, that Secretary Evarts as highly satisfactory and as covering the wools subject of Chinese immigration to this country. stion to this country.

Washington, 19.—It has been stated in several quarters that the serviciary of the treasury, in his forthcoming annual report, will recommend the repeal of the requirement that 2,000,000 of standard silver dullars shall be coined monthly. Secretary Sherman may do this, or in lieu, he may recommend that the number of grains in a silver dullar be increased so as to make it equal in intrinsic value to a gold dullar, but in either swent, it is not considered probable that his recommendation will receive serious consideration at the hands of the present Silver Coinage Subject. consideration at the hands of the present Congress. If, however, any attempt be made during the coming session to inter-fere with the sliver coinage Director Burchard will earnestly object, being consident that we can go on coining sil-ver without inconvenence at the present rate until we reach the same amount that France has, or \$336,000,000.

## The Rent Racket.

New York, 19.—World's London: alarming news comes from Ireland to he effect that several flagrant attempts have recently been made to Lumper with he loyalty of soldiers stationed there, and that money has been offered them by Fenian agents, who have also promped them help commands in the Irah

who have been coerced to join in the agitation.

The Thines, in a leading article, this murning, says if the casinet, or a majority of its members, should be compelled to accept what, as we have sain, the Irish executive deems indispensable for the performance of its functions, we trust there will be no unwise attempt to obstruct or cassife that course. If government should not deem it necessary to aprily for extra powers, it is apparent they must be prepared to face a storm of opposition when Parliament sits, which will seriously imperil the prospect of a just settlement of the land question.

It is reported that the expense of the military portions of the Hoycott relief expedition will be levied on County Mayo.

## 45 Years before the Public. THE CENUINE

New York, 18.—The Times' an World's Washington specials annount the appointment of Gen. Miles as chis signal officer. In lineal rank he stand in marbor seven on the list of columels of infantry, being two numbers belon Hazen, who was one of his compelior for the appointment for the vacant briga dier general-nip. Miles would prefer active service to the daties of signal officer, but the increased rank which the appaintment to that service gives induced him to rock promotion to the vacancy Should a vacancy or cur among the shipfradier generals of the general service it is heltered Miles would ask to be relieved from the signal office and assigned to the vacancy. Lieutenant Colone McCook, now serving on Gen. Sherman's of the first first life, in the first commander of the marine corps, who died yesterday in Washington, after a long illness, was first lieutenant of marines of the Pacific equation in 1836 47, participated in the conquest of Chifornia, was commissioned captain on September 14th, 1817, and brevetted major the same year for gallantry in action. He is remembered by old California in the trigate Congress and participated in the battles near Los Angeles.

Washi gion, 10.—The cabinet did not mention the appointed is premsure. Miles will not be here till Sunday.

States commissioner and the government of China.

Chicago, 19.—Journal's Washington: A dispatch from Shanghai, dated November 18, just received, states that a treaty was concluded yesterday between the United States commissioner and the government of Peking, theroughly controlling the question of Chinese emigration. This news excites much interest, and although the details are not at hand, it is generally understood from what information was recently received from the commissioner, that the stipulations will be perfectly satisfactory to the citizens of the United States, and especially of the Pacific Coast.
