REMARKS.

Integrating this enterprise the Proprietor feels something like an Author does in writing his Preface, that he means nothing but good for the public by the introduction of the Public particularly as he relies upon public patronage.

It becomes necessary, therefore, that every one should make an effort in the right direction, and in the face of the fact that for some time the BUSINESS SAMPLE ROOM may through their own general use of inferior Liquors, have generally believed that they were actually receiving a quantity of those who have been called to their attention.

Regular Rates, 15c.; With Lunch, 25c. Specialties as per List. No Silver taken upon any circumstances.
