 London, 7.—Mark Lane *Express*, in its weekly review of the British grain trade, says: The weather is damp, foggy and mild, and growing crops stand unusually well, values tending downward. Even the lowest point is not yet reached for English wheats. Flour weaker. Barley is improving; foreign wheats more lifeless than ever. Stocks heavy. Flour dull, rather weaker. Maize cheaper. Lard a shilling dearer. Other articles in favor of buyers. Cargoes of wheat off the coast in small supply; inquiry for them has almost ceased. There have been four arrivals, two cargoes sold, one withdrawn, and three remain in cargoes on passage. Flour shipments remain unimproved. Quotations nominal. Kenneth Morrison agreed to knock out inside of thirty minutes, at Leadville, on Saturday night, one Maurice Tracy for \$100 aside and gate money. In twenty minutes there was not enough left of Tracy to represent and his seconds threw up the sponge.

The Salt Lake City Turn Verein will give their first social entertainment and dance at Sheldon's hall, on Thursday, January, 10, 1884. The *HERALD* acknowledges the receipt of the compliments of the society, which is a large and respectable organization of our German fellow-citizens.

Bad for the Undertakers.

It is not probable that this country will ever be so healthy that we shall have to kill a man to start a graveyard, yet it is certain that as "Hale's Honey of Horehound and Tar" progresses in popularity, the number of deaths by consumption will diminish. It is undoubtedly the very best remedy for Coughs, Colds, Hoarseness, Influenza, and all diseases tending to a consumptive crisis, that the world has ever known. Sold by Druggists everywhere at 50 cents and \$1. Get the large size, as it is much the cheapest. Pike's Toothache Drops cure in one minute.

A man named Snow, of Pleasant Valley Junction, skipped a few days ago for parts unknown, taking with him the proceeds of sales of thirty-five tickets for the Brotherhood of Locomotive Engineers' ball recently held in this city, amounting to \$140, besides a check for \$1,200 and some other valuables. With such a sum, he should be able to stand off pursuit for a few days anyway.

WINSTON, FORSYTH CO., N. C.

GENTS—I desire to express to you my thanks for your wonderful Hop Bitters. I was troubled with dyspepsia for five years previous to commencing the use of your Hop Bitters some six months ago. My cure has been wonderful. I am pastor of the First Methodist Church of this place, and my whole congregation can testify to the great virtues of your bitters.
 Very respectfully,
 REV. H. FEREBEE.
