Eczema!

For the benefit of suffering humanity, and in heartfelt gratitude at the wonderful results I deem it only my duty to give this unqualified testimony in favor of Swift's Specific. My wife has been afflicted with Eczema of the skin from her infancy. It has increased in intensity with each successive winter, and being somewhat skilled in medicine myself, I tried every remedy I could think of for years—Sarsaparilla, combined with every form of Potassium, and hundreds of other remedies, lotions and alkali washes of every known kind, but they all gave only temporary relief. During the spring of 1884 her feet were so severely affected that she was obliged to wear them to court with a covering of "Valer's Earth," mixed with and allowed to dry in. Among other things she was afflicted with a periodical nervous headache, occurring every seven or ten days, sometimes followed by an intermitting fever for weeks at a time, so that her life became a burden to her.

After I determined she should take Swift's Specific, I directed her to take it in regard to dose, diet, etc. This was about seven weeks ago. After taking the first bottle the disease seemed to increase; the burning, itching and inflammation became unbearable. She, however, persevered in the use of the medicine. After taking the second bottle the inflammation began to subside. After the third bottle the inflammation disappeared, and a red spot dried up and turned white and scaly, and finally broke down in a scab, which was removed while under treatment. She is now taking the third bottle, three tablets four times daily. Every appearance of the disease has gone, and her skin is becoming soft, white and smooth again; and that is more, her periodical headache has disappeared and she is now, at 33 years of age, enjoying the vigor of health she has known by upwards of 40 years. No wonder she desires with emphasis that every sufferer with Eczema should know the worth of Swift's Specific.

Any further information concerning her case will be cheerfully given by her self at her residence 123 Mullett-street, or by me JOHN F. HAZLEY, at Glasgow St. Detroit, Mich., May 16, 1885.

To the Editor of THE HERALD:

You will find enclosed a copy of an official statement of thirteen Mormon members of the Grand Jury, which was handed to Judge Morgan yesterday, 13th. It explains itself. Of course he could do nothing else but discharge them. He still retained the three non-Mormon members, however, perhaps with a view to try to complete a jury. But it is pretty certain he cannot get a Grand Jury, much less trial juries, from the non-Mormon element, as there are not enough of them. Perhaps his idea is to go on in the useless manner he has been going to get a large lot of the county scrip issued as he has an agent here buying it whenever it can be closely shaved. Only the other day a good-sized batch of said scrip was sent to Morgan's bank.

At any rate there is nothing but chaos and anarchy in the government of this county at present, and it must remain so, as long as the Territorial law makes it a crime to merely belong to the Mormon Church. No courts can be held; no indictments found; no criminals punished, while the poor Mormon has only the blessed privilege of being taxed and raising the flag to the top of the mast.

Morgan was sick at his stomach when he read that statement. He thought to get through smoothly. He was very anxious for a jury—almost coaxed Mormons to act. He feared to face his own damnable work, and would like to slide out as quietly as possible.

Here is the statement:

COPIES.

To Hon. T. Morgan, J. in se. of the Third Judicial District in and for Bear Lake County, July Term, 1885.

Sir—We, the undersigned, members of the present Grand Jury, duly empaneled and sworn, and before entering upon the discharge of our duties, would respectfully represent to your Honor that in our examination on our voir dire under the questions propounded by J. C. Rich, Esq., and from the instructions of the court as to the construction of the law in regard to the present teaching of the organization to which we belong, concerning plural or celestial marriage or polygamy, we answered in all sincerity that, viewing the question in the present sense, or as the court intimated, since the passage of the election law, we honestly asserted that we did not remember having heard any teaching of that principle since the time mentioned.

After having now heard all the discussion in court, and particularly having examined the law in all its bearings, and also the recent teachings of the leaders of the organization of which we are members, we now to satisfy our conscience, and that we may not even apparently acquiesce or lend our innocent aid in any matter of questionable illegality, and possibly render our labors useless, and also lay ourselves open to a suspicion, if not direct charge, of perjury, we have decided in our own minds and to our entire satisfaction that the organization to which we belong does hold the doctrine of plural or celestial marriage to be of divine commandment, and at the present time said organization does teach and publish the said doctrine, recommending its practice as essentially necessary for the improvement of the moral condition of society; and we, as members thereof, accept the said teachings and hold its practice at the present time to be agreeable to the will of God, all of which is set forth in the Holy Scriptures.

Therefore, we, with honest hearts and motives of interest to the public, as well as a desire to place ourselves fairly and squarely on the record before your Honor and the public, do hereby make this statement officially.

Under our present understanding of the law and the evident intention of the Legislature in prescribing and disfranchising all members of the organization to which we belong, we cannot conscientiously undertake to discharge the duties of Grand Jurors under the ban of the law, as we now understand it, without regarding our manhood as citizens, and, before God doing violence to our consciences.

We therefore most humbly, but earnestly, request your Honor to relieve us from the performance of a duty which we are certain we can neither conscientiously nor legally discharge.

Signed by thirteen Mormon members of the Grand Jury.
