SUNDAY SERVICES.

Religious Worship at the Tabernacle.

ORDINANCES OF THE GOSPEL.

Elders William Palmer and Junius F. Wells Address the Congregation.

Sunday afternoon's services in the Tabernacle commenced with the choir singing the hymn:

O'er the gloomy hills of darkness, Look, my soul, be still and gaze

Elder Wm. E. Barton offered the opening prayer, and the choir sang another hymn:

O Lord of Hosts, we now invoke Thy spirit most divine.

The Sacrament was administered by the priesthood of the First Ward.

ELDER WM. PALMER addressed the congregation, and said he was pleased to have the opportunity to speak in defense of the principles of eternal life, which we have received.

(compared with that of the world, who are in darkness as to the ways of God), is one that should cause us to be continually grateful. The emissary of evil is trying in every way to destroy our efforts to do good, and to impute unto us all that is evil.

Our enemies say to us, "We wish you would be like us, then you could enjoy all the rights and privileges that we have." We cannot come to their standard of action and belief, and be consistent believers in the Holy Bible. The spirits of men existed before they came upon this earth, as referred to in part of the 8th verse of the 17th Chapter of Revelations.

Man and woman were created in the beginning, as described in Genesis. God gave the woman to the man for a helpmate in this world and in the life to come. The Apostle Paul defines their position plainly in his epistle to the Corinthians. Marriages when performed by the servants of God are made for time and eternity. Judicial and civil marriages are not, because the power of man can not make eternal covenants, hence the Christians marry for time only.

God has ordained a law that joins together the sexes in covenants that cannot be put asunder. God's ways are above man's ways, as much as the heavens are above the earth. Men have changed the ordinances and broken the everlasting covenants.

The Bible declares, in the sayings of Christ and His apostles as recorded in the New Testament, that the ordinances of the gospel are faith, repentance, baptism, etc., the religious world repudiate some of these first principles one sect insisting on one thing and some on another, but all differing. Satan has worked upon the children of men until they have changed the laws and ordinances.

And necessarily Satan feels enraged at the re-establishment of the kingdom of God, and the restoration of the eternal principles of life. God has given unto us the power and authority of the priesthood by which we can be united together for time and eternity. Marriage for eternity protects women, and gives them opportunity to be honored and respected as the companion of man both here and hereafter.

my opinion, his father was a better citizen than he himself has been. We are not afraid of the presence of the army, for there is a safer place on the American continent for United States soldiers than in Salt Lake City.

The choir sang the anthem "Sweet is thy Mercy," and Elder Theodore McKean pronounced the benediction.

A Great Discovery, Mr. Wm. Thomas, of Newton, Ia., says: "My wife has been seriously affected with a cough for twenty-five years, and this spring more seriously than ever before. She had used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She has not had a health for thirty years."

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts.

The Rock Island system includes in its main line and branches, Chicago, Joliet, Ottawo, La Salle, Peoria, Geneseo, Moline and Rock Island in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Okauchosa, West Liberty, Iowa City, Des Moines, Indianola, Winterest, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Galatin, Trenton, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns, villages and stations.

THE GREAT ROCK ISLAND ROUTE

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted road-bed; smooth tracks of continuous steel rail; substantially built culverts and bridges; rolling stock as near perfection as human skill can make it; the safety appliances of patent buffers, platforms and air-brakes; and that exacting discipline which governs the practical operation of all its trains.

THE FAMOUS ALBERT LEA ROUTE

Is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route, Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota.
